memorandum

DATE: August 18, 2020

TO: HONOURABLE MAYOR AND MEMBERS OF COUNCIL

FROM: MAURO PEVERINI, DIRECTOR OF DEVELOPMENT PLANNING, PLANNING AND GROWTH MANAGEMENT

RE: COMMUNICATION
Modification of By-law 105-2019 to amend the Holding Symbol “(H)”
Phase 1 Promenade Shopping Centre Development
1 Promenade Circle
File Nos: Z.18.020
Related File Nos: OP.18.013 & DA.18.107

1. Purpose

The purpose of this Staff Communication is to explain the proposed amendment to site-specific By-law 105-2019 regarding the conditions to remove the Holding Symbol “(H)” for the Phase 1 Promenade Shopping Centre Development.

2. Analysis

The Owner is requesting permission to permit shoring and excavation in order to commence construction on the Phase 1 Promenade Shopping Centre Development. Vaughan Council approved Site Development File DA.18.107 on October 23, 2019 and the related Official Plan and Zoning By-law Amendment Files OP.18.013 and Z.18.020 on June 12, 2019. The implementing Zoning By-law 105-2019 places a Holding Symbol “(H)” on the subject lands with conditions to be satisfied prior to its removal.

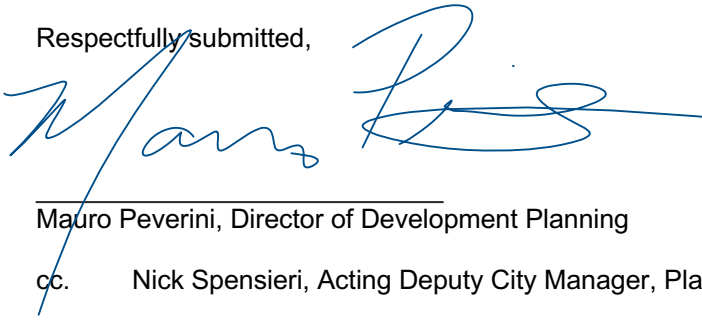

The Owner is currently working towards fulfilling the conditions to remove the Holding Symbol as required in Section pi. of By-law 105-2019. The proposed modification to the By-law is to allow shoring and excavation to occur on the subject lands in advance of the removal of the Holding Symbol. The conditions to remove the Holding Symbol include addressing engineering requirements to the satisfaction of the Development Engineering Department.

The requested modification to By-law 105-2019 will not remove the Holding Symbol from the subject lands. Removal of the Holding Symbol by Vaughan Council will only occur after all the conditions in the By-law have been satisfied, and thereby permit further stages of construction including the issuance of a full Building Permit. The Owner will be required to enter into a conditional building permit agreement with the City, and will not be permitted to proceed with works outside of those specified in the agreement until such time the Holding Symbol (“H”) has been removed from the subject lands.

3. Conclusion

That Council approve the amendment to By-law 105-2019, at the request of the Owner, in order to permit shoring and excavation works for the Phase 1 Promenade Shopping Centre Development in advance of the removal of the Holding Symbol (“H”) on subject lands.
