AGENDA

- Introduction of the Project
- Work Done to Date
- Context and Program
- Project Goals
- Current Design (Park and Building)
- Next Steps

Work done to date

Tours: Learning from Others

Design Team, City of Vaughan / Vaughan Public Libraries toured 6 facilities prior to starting design including:

Aaniin Community Centre and Library – Markham
Oak Ridges Community Centre – Richmond Hill
York Recreation Centre – Toronto
Meadowvale Community Centre and Library –
Mississauga

North Thornhill Community Centre,
Pleasant Ridge Library – Vaughan
Vellore Village Community Centre,
Vellore Village Library – Vaughan

Context and Program

Topography and Natural Edges

Existing site offers many great opportunities

- Easily accessed by many modes of travel
- Range of experiences
- Adjacent to a protected ravine environment
- Will act as catalyst for development
- Slope affords potential for outlook and exciting park uses

Context and Program

Building Program

Library
Aquatics and Change Rooms
Fitness
Gym
Track
Multi-purpose
Support and Admin.
Partner Spaces

The program includes a range of spaces that will serve many activities.

Spaces will be designed to be inclusive, accessible, and comfortable.

multi-use rooms

park support

fitness

library

common areas

gym + track

aquatics centre

partner spaces

District Park Program

Open Space
Tennis Courts
Basketball Court
Playground
Water Play
Skate Trail
Active zone
Library Terrace
Childcare outdoor play
Trails/flex/shade/seating
Fitness and Activity Area
Exterior Ice and Park Change Rooms

The park program includes family, active and passive zones. There will be access to change rooms and washrooms.

Project Goals

Six measures of success

WELCOMING TO ALL: inclusive of all abilities, generations, genders and cultures

STRONG PLACEMAKING: common spaces that support community activities

A VIBRANT PARK: a range of park experiences

HIGHER SUSTAINABILITY: strive for a better relationship with the environment

BEST VALUE: provide an enduring civic investment

A HEALTHY COMMUNITY: support pursuit of wellbeing in a post Covid 19 world

Built Context Analysis

Naturalized east from north-east to south-east adjacent institutions: school and church

Site Access Analysis

Primary pedestrian access from south and west vehicle access exclusively from south and west

Movement

Building as gateway into the park

Central promenade showcases interior and exterior program

Good connectivity onto site

Multiple parking lots providing proximity and accessibility to building and site

Moments of nature intermingled with park program

Public Passage

Central public boulevard showcasing interior and exterior programs, connecting the building with the park
