MEMBER'S RESOLUTION

Committee of the Whole (1) Report

DATE: Wednesday, April 07, 2021

**TITLE: PUBLIC INFORMATION SUPPORT FOR THE VAUGHAN
COMMUNITY HEALTH CENTRE'S HIGH PRIORITY
COMMUNITIES STRATEGY**

FROM:

Mayor Maurizio Bevilacqua

Whereas, on March 17, 2020 Vaughan became the first city in Ontario to declare a state of emergency and the first municipality in York Region to do so; and

Whereas, it is imperative that all parts of our community are represented, informed, and engaged about public health measures and support services related to COVID-19; and

Whereas, on Dec, 21, 2020, the Ontario government announced the implementation of the High Priority Communities Strategy which provides funding to local community agencies to deliver key interventions for communities significantly impacted by COVID-19; and

Whereas, Vaughan Community Health Centre (VCHC) is the lead agency to carry out the High Priority Communities Strategy in Vaughan. The VCHC is a not-for-profit, community-governed organization that provides clinical and social services with a primary focus on residents of Western and Northern York Region. The organization serves populations facing barriers to accessing health care with a focus on youth, seniors, and people with mental health and addiction issues. Services are provided in different languages within a safe, accessible, and comfortable environment.

Whereas, the High Priority Communities Strategy supports communities disproportionately affected by COVID-19 and is comprised of three pillars, including:

1. Tailored community outreach and engagement to enhance awareness of the services and supports available.
2. Increased access to testing.
3. Wraparound supports using a case management approach to connect individuals and families with available services, such as groceries, emergency financial assistance, self-isolation facilities and more; and

Whereas, VCHC is working to implement the three pillars to support the residents of Vaughan and is requesting further communications support to raise awareness about the organization's service offerings.

It is therefore recommended:

1. That the City of Vaughan partner with VCHC to promote the availability of VCHC COVID-19 related services leveraging the City's corporate communications channels and through the Access Vaughan Contact Centre; and
2. That this resolution and attachments be forwarded to the City's Diversity and Inclusion Task Force to be shared with members; and
3. This resolution is shared with York Region Council.

High Priority Communities Strategy

March 29, 2021

Background

1. On December 21, 2020, province of Ontario announced the implementation of the High Priority Communities Strategy funding.
2. Funding is provided to local community agencies to deliver key interventions for communities impacted greatly by COVID-19.
3. Racially diverse, newcomer and low-income communities have been disproportionately impacted by COVID-19. Due to the social determinants of health factors, they are facing complex barriers to accessing healthcare and social services. And they need specific supports to enact core Covid-19 prevention measures.
4. York Region Public Health has used postal code data and levels of marginalization to identify “hot spots” for Covid-19 transmission. The City of Vaughan has been identified as a high priority community and a “hot spot” with high positivity rate and lower testing rate.
5. The Vaughan Community Health Centre (VCHC) has been selected as the lead agency to implement the Strategy funding in Vaughan.

3 Pillars

Community Outreach and Education

- Tailored community outreach and engagement.
- Enhance awareness of the services and supports available.

Access to Testing

- Increased access to testing tailored to the unique needs of the community

Wraparound Supports

- Wraparound supports using a case management approach to connect individuals and families with available services, such as groceries, emergency financial assistance, voluntary isolation centre and more.

Community Outreach and Education

Engaged organizations that are serving vulnerable and marginalized populations in Vaughan to form the **Vaughan COVID-19 Response Coalition**.

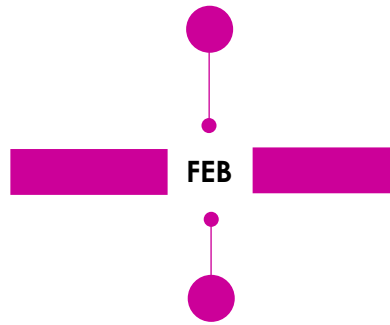

- 360 Kids
- ANCHOR
- CAYR Community Connection
- CHATS
- Espeth Heyworth Centre for Women
- Food Network of York Region
- Human Endeavour
- REENA
- Regional Municipality of York
- The Food Bank of York Region

Conducted 8 focus groups with 85 residents served by Coalition members
 Learned about effective ways to provide Covid information, barriers in accessing testing and wraparounds supports.

In partnership with the Region of York, held a focus group with organizations serving the Black community in York Region

Key Covid-19 information is translated into multiple languages

Outreach strategies include community ambassadors, ads in local and ethnic newspapers, radio, YR website and staff, 3C Service Partners Table, family physician offices, Coalition members, City of Vaughan councillors.

Created Community Ambassador subgroups to focus on reaching the South Asian and Black communities

- 2,599 community residents reached
- 7,726 social media users reached
- 451 PPE Kits Distributed

Access To Testing

- Identified location for testing site: 9401 Jane Street.
- Strategy informed via community engagement.

- Established a COVID-19 Information Line.
- Opened the **Vaughan CHC Community Testing Centre** at 9401 Jane Street on February 22, 2021

- As of Mar. 24, 344 individuals tested; 28 positive (8% positivity)
- 380 calls received to the Information Line

- Provide interpretation and transportation support to testing centre.
- Positive cases: Nurse Practitioner follow-up, referrals to Case Managers.

Wraparound Supports

- Vaughan COVID-19 Response Coalition established.

- Partners supporting community members with transportation, access to food, mental health, harm reduction supplies and more.

- Case Managers hired
- Referral pathways to services established to support community members

- Supports for community members who need to self-isolate or tested positive: financial resources, food access, mental health, social supports, etc.

- Supporting individuals with any questions related to COVID-19 including vaccinations.

Next Steps & Our Ask

Continue to support the Vaughan community:

1. Funding for the High Priority Communities Strategy will be extended for another 6 months
2. Provide accurate and up-to-date information about COVID-19, including vaccinations; support the vaccine rollout activities
3. Conduct COVID-19 testing at the VCHC location
4. Provide wraparound supports for individuals affected by COVID-19

Our Ask: looking to establish a direct line of communication with the City of Vaughan in order to:

- Promote the availability of services (i.e. on the City's website)
- Obtain referrals for community members affected by COVID-19 (i.e., from Access Vaughan)

MEMBER'S RESOLUTION

Committee of the Whole (1) Report

DATE: Wednesday, April 07, 2021

TITLE: Members Resolution Regarding the Yonge North Subway Extension

FROM:

Councillor Alan Shefman

Whereas, the extension of the Yonge Street Subway (YNSE -Yonge North Subway Extension) has been designated as a priority rapid transit project by the Province of Ontario, and

Whereas, The Environmental Assessment for the YNSE project was approved by the Province of Ontario in 2009 and

Whereas, the YNSE has been in a planning stage for approximately 15 years, and

Whereas, the proposed route and stations (Option 1 in the Initial Business Case) identified through a long and detailed planning process, including a formal approved Environmental Assessment and significant public consultation has been considered the most ideal and efficient route for the extension, and

Whereas, Metrolinx assigned to manage the delivery of the project in 2019. And

Whereas the Initial Business Case and Supplementary Analysis released by Metrolinx on March 18, 2021, is based on a \$5.6 billion funding envelop, and

Whereas, the Initial Business Case, reflecting the current allotted budget has not recommended certain key elements of the original plan such as stations at Cummer, Clark and Royal Orchard, an alignment that remains on Yonge Street to its terminus

north of the 407 highway and a lack of commuter parking in the vicinity of the terminus station.

It is therefore recommended:

1. That the Council of the City of Vaughan is most supportive of the efforts by the Province to move the YNSE project forward with the publication and recommendations of the Initial Business Case, and
2. That every effort be made to revise the YNSE Reference Alignment, identified within the supplemental analysis undertaken following the Initial Business Case, to address the problematic issues of the alignment away from Yonge Street, the limitation of “neighbourhood” stations and the lack of a clear plan for commuter parking, and
3. That Option 1 as outlined in the Initial Business Case be supported, and
4. That the required funds to support Option 1 or a close variation of this option be provided by increasing the funding envelop through the funding support for this project by the Provincial and Federal Governments, and
5. That the appropriate government bodies, including the Offices of the Premier and Prime Minister, be advised of this resolution of Council.
