Hi Julia and David,

I hope you are well. I have completed the form to have Sept. 21 proclaimed World Alzheimer's Day. It didn't say where to send it so I thought I would send it directly to you.

Last year, the City of Vaughan also lit up the civic centre in blue (it looked fabulous by the way) and I am wondering if you would be willing to do it again? There wasn't a section for lighting up on the form.

I also wanted to let you know that I have resigned from AS York effective June 25. May I ask you to connect with Tammy Bucci, director of philanthropy (tbucci@alzheimer-york.com) with the City of Vaughan's decision?

Thank you.

I also wanted to say thank you for making the process so easy for me. I am grateful.

Sincerely,
Lisa Day

DATE: Tuesday, June 22, 2021

TITLE: YONGE STREET NORTH SUBWAY EXTENSION

FROM:

Councillor Alan Shefman

Whereas, our neighbouring municipality, the City of Markham, at their Council Meeting on June 8, 2021 adopted a comprehensive resolution on the Yonge Street North Subway extension, and

Whereas, the City of Vaughan is in support of all aspects of the said resolution.

 3. That any other alternative alignment for Options 1 and 2 considered by Metrolinx be kept on the Yonge Street corridor, as much as possible, to minimize any impacts to the existing community, and
 4. That once a final recommendation has been determined that all measures be considered including full compensation to any property owner impacted by any proposed alignment, and
 5. That the Province of Ontario be requested to include subway stations at Clark Avenue and Royal Orchard Blvd. in the Yonge North Subway Extension capital project, and

1. Resolution of Markham City Council dated June 8, 2021.

June 14, 2021

The Honorable Doug Ford

Premier of Ontario

Room 281, Legislative Building, Queen's Park

Toronto, ON M7A 1A1

RE: THE ALIGNMENT OF THE YONGE NORTH SUBWAY EXTENSION (5.14)

Dear Premier;

This will confirm that at a meeting held on June 8, 2021 the Markham City Council adopted the following resolution:

Whereas, the Yonge North Subway Extension is a priority project in the Province of Ontario's Transit Plan and is York Region's Top Transit priority, and,

Whereas, a capital cost funding commitment by the Federal government on May 11, 2021 means the project is now fully funded by all three levels of government, and,

Whereas, the Environmental Assessment for a Yonge Street alignment for the 8-kilometre route from the Toronto Transit Commission's Finch Subway Station to the end-of-the-line in the Langstaff Gateway/Richmond Hill Centre included extensive public consultation and was approved by the Province of Ontario in 2009, and,

Whereas, Markham Council has endorsed York Region Rapid Transit Corporation's Environmental Assessment that recommends a Yonge Street subway alignment, and,

Whereas, of the three potential alignments explored by Metrolinx as outlined in their Initial Business Case confirms that Options 1 and 2, each with a Yonge Street alignment, provide greater benefits in terms of individual Vehicle Kilometres Travelled and the number of people who will use transit during morning rush hour in 2041 than Option 3, and,

Whereas, there is statistically no difference among the three Options in terms of Benefit Cost Ratio and total Capital Costs as outlined in Metrolinx's Initial Business Case and Supplementary Analysis which states Option 3 has "a more complex deliverability case", and,

Whereas, Markham Council endorsed a Yonge Street alignment for the subway at its May 28, 2019 meeting indicating "optimizing the Yonge Subway Extension alignment in its own established transportation corridor which is Yonge Street;"

Now Therefore Be It Resolved:

1. That, Markham Council reject Metrolinx's proposed Option 3 alignment for the Yonge North Subway Extension, and,
2. That Markham Council requests Metrolinx to pursue the Options 1 or 2 alignment for the Yonge North Subway Extension that adheres to Yonge Street, a major arterial road appropriate for intensification and economic development, and,
3. That any other alternative alignment for Options 1 and 2 considered by Metrolinx be kept on the Yonge Street corridor as much as possible to minimize any impacts to the existing community, and,
4. That once a final recommendation has been determined that all measures be considered including full compensation to any property owner impacted by any proposed alignment, and,
5. That Markham Council requests the Province of Ontario include subway stations for Thornhill at Clark Avenue and Royal Orchard Blvd. in the Yonge North Subway Extension capital project, and,
6. That a copy of this resolution be sent to:
 - Hon. Doug Ford, Premier of Ontario
 - Hon. Caroline Mulroney, Minister of Transportation
 - Hon. Kinga Surma, Associate Minister of Transportation
 - Hon. Laurie Scott, Minister of Infrastructure

MEMBER'S RESOLUTION

Council Report

DATE: Tuesday, June 22, 2021

TITLE: VAUGHAN METROPOLITAN CENTRE SMARTCENTRES ACTIVATIONS

FROM:

Councillor Sandra Yeung Racco

Whereas, the Vaughan Metropolitan Centre (VMC) is being developed as the new downtown for the City of Vaughan; and

Whereas, the process for developing the VMC is occurring in a phased manner, where partial redevelopment of blocks of lands are underway; and

Whereas, there is an opportunity to animate and activate these partially developed blocks which will provide the Citizens of Vaughan a unique experience; and

Whereas, SmartCentres has commissioned Canadian award winning and international artists to undertake a public mural program for the former Walmart site, located at 101 Edgeley Boulevard in the VMC, which has been reviewed by the VMC Urban Design Review Panel; and

Whereas, SmartCentres is proposing to provide a temporary active event space, including a food market, night market, drive-in movie theatre and other animating uses within the former Walmart parking lot as well as Transit Square, to facilitate public enjoyment of the mural program and to animate and activate the former parking lot in conjunction with the mural program; and

Whereas, this cultural injection in the VMC will be activated into the early Fall and will be an important and memorable landmark for the City of Vaughan and the VMC, providing its citizens and visitors with an opportunity to enjoy a unique art installation and a vibrant outdoor food and entertainment event experience; and

Whereas, the City of Vaughan Special Events By-law limits special events to 4 consecutive days within a 30 day period ensuring minimal disruption to the quiet enjoyment of the City of Vaughan; and

Whereas, limiting the proposed activities and events would not be conducive to the proposed animation and/or activation programming envisioned; and

Whereas, permitting these proposed events will include the appropriate limitations as prescribed within the requirements of the City of Vaughan Special Events By-law and as determined by the Director & Chief Licensing Officer of By-law & Compliance, Licensing and Permit Services, to ensure the safe enjoyment of the event and minimize the possibility of disruption to the residents of Vaughan.

It is therefore recommended:

1. An exemption to sections of the the Special Event By-law shall be permitted to allow for the animation and activation programming within the former parking lot at 101 Edgeley Boulevard and Transit Square, subject to the following conditions:
 - a. That a special event permit is obtained;
 - b. The exemption proposed shall only apply to the appropriate sections of the Special Event By-law that limit maximum days, thereby permitting the event to begin upon issuance of the Special Event Permit and expire on September 30, 2021;
 - c. The proposed event shall only be permitted within the former parking lot at 101 Edgeley Boulevard and Transit Square east of 100 New Park Place;
 - d. All activities shall be limited from 8:00 a.m. to 11:00 p.m.;
 - e. That the Director & Chief Licensing Officer be authorized to extend the drive-in movie event to 12:01am at his discretion following having received no noise complaints from the first two weeks of the event;
 - f. Following an extension to 12:01 am, that the Director & Chief Licensing Officer be authorized at his discretion to reduce the drive-in movie event back to 11pm for the duration of the permit, should any noise complaints be received following the extension;
 - g. Drive-in movie theatre activities shall occur no more than twice per each week;
 - h. All food trucks, food vendors and other vendors shall be licensed in accordance with the City of Vaughan Business Licensing By-law;
 - i. That SmartCentres shall coordinate all activities with the City's Economic and Cultural Development Department; and
 - j. That all activities and events shall comply with all regulatory requirements as prescribed by the Province of Ontario in accordance with the *EMCPA* and *ROA*, and any other applicable legislation; and
 - k. That SmartCentres shall indemnify the City of Vaughan for all activities which occur in association with all the above mentioned activities.
