## **Background**

Location: The 0.57 ha vacant subject lands (the 'Subject Lands') are municipally known as 20 Royal Gate Boulevard and are legally described as Parts 4, 5 and 6, on Reference Plan 65R-32562 in Part of Block 1 on Registered Plan 65M-3033. The Subject Lands and surrounding land uses are shown on Attachment 1.

Date of Pre-Application Consultation Meeting: March 5, 2021

Date application was deemed complete: January 10, 2022

### ***A Zoning By-law Amendment Application has been submitted to permit the proposed development***

The Owner has submitted Zoning By-law Amendment File Z.21.051 (the 'Application') to rezone the Subject Lands as follows:

- From "C8 Office Commercial Zone", subject to site-specific Exception 9(654F) in Zoning By-law 1-88 to "EM1 Prestige Employment Area Zone" in Zoning By-law 1-88 in the manner shown on Attachment 2, together with the site-specific zoning exceptions identified in Table 1 of this report.
- From "EM2-396 General Employment Zone" subject to site-specific Exception 396 in Zoning By-law 001-2021 to "EM1 Prestige Employment Zone" in Zoning By-law 001-2021 in the manner shown on Attachment 2, together with the site-specific zoning exceptions identified in Table 2 of this report.

The Application would permit the development of one, two-storey warehouse building with accessory office uses having a total gross floor area ('GFA') of 2,632 m<sup>2</sup> (the 'Development'), as shown on Attachments 2 to 4.

### ***Public Notice was provided in accordance with the Planning Act and Council's Notification Protocol***

- a) Date the Notice of Public Meeting was circulated: April 8, 2022.

The Notice of Public Meeting was also posted on the City's website at [www.vaughan.ca](http://www.vaughan.ca) and a Notice Sign was installed along Royal Gate Boulevard and Regalcrest Court in accordance with the City's Notice Signs Procedures and Protocols.

- b) Circulation Area: To all property owners within 150 m of the Subject Lands and to the West Woodbridge Homeowners Ratepayers' Association and to anyone on file with the Office of the City Clerk having requested notice.
- c) The following is a summary of written comments received as of April 12, 2022 by the Development Planning Department from:

- Phil Girard, P.Eng., PG Compliance Management Inc., representing Westlake Pipe and Fittings (101, 131 and 155 Regalcrest Court), dated March 3, 2022
- Adrian Sturino, Board of Directors for Condominium Corporation No. 1351, representing 7681 Highway 27, dated February 3, 2022

The comments are organized by theme as follows:

Environmental Impacts regarding the operation of 101, 131 and 155 Regalcrest Court

- Concern with the sensitive use of a day care centre and related play area uses and outdoor patio (accessory to a banquet hall use) that would be permitted in the “EM1 Prestige Employment Area Zone” in Zoning By-law 1-88, and the “EM1 Prestige Employment Zone” in By-law 001-2021
- The environmental approval issued by the Ontario Ministry of the Environment, Conservation and Parks (‘MECP’) to operate Westlake Pipe and Fittings plants at 101, 131 and 155 Regalcrest Court must comply with provincial air and noise limits
- The introduction of any new noise sensitive receptor in proximity to Pipe and Fittings could put the operator at 101, 131 and 155 Regalcrest Court out of compliance

Driveway access concerns with shared driveway access to 7681 Highway 27

- The shared driveway from Royal Gate Boulevard is a safety concern with trucks sharing the driveway with users to the office commercial area located northwest of the Subject Lands, including the day care centre at 7681 Highway 27
- Movement of heavy trucks will result in damage to the driveway
- The driveway access should be from Regalcrest Court for heavy trucks to use to access the Subject Lands and loading area

Any additional written comments received will be forwarded to the Office of the City Clerk to be distributed to the Committee of the Whole as a Communication and be reviewed and addressed by the Development Planning Department in a future technical report to the Committee of the Whole.

**Previous Reports/Authority**

Not applicable.

**Analysis and Options**

***The Development conforms to Vaughan Official Plan 2010***

Official Plan Designation:

- “Employment Area” on Schedule 1 – Urban Structure by Vaughan Official Plan 2010 (‘VOP 2010’)

- “General Employment” and “Prestige Employment” on Schedule 13 – Land Use by VOP 2010
- Policy 10.2.1.6 “Interpretation” of VOP 2010 states “for the purposes of delineating between “Prestige Employment” and “General Employment” land uses... the use abutting an arterial street shall be interpreted to extend one lot depth in from the arterial street.”
- The west portion of the Subject Lands are designated “Prestige Employment”, the designation of which extends from Regional Road 27. The east portion of the Subject Lands abutting Regalcrest Court are designated “General Employment”. Therefore the “Prestige Employment” designation applies to the Subject Lands and permits employment buildings with accessory office uses

***Amendments to Zoning By-law 1-88 and Zoning By-law 001-2021 are required to permit the Development***

**Zoning:**

- “C8 Office Commercial Zone” by Zoning By-law 1-88, and subject to site-specific Exception 9(654F)
- This zone does not permit the Development
- The Owner proposes to rezone the Subject Lands to “EM1 Prestige Employment Area Zone” together with the following site-specific zoning exceptions shown on Table 1 to permit the Development:

**Table 1**
