I do not support or feel it is necessary to approve any of the changes Affected zoning by law 01-2021. My main objection is to item #5 and the current 50% front yard landscaping by law should be enforced.

As for by law 1-88 variance requests, again I am opposed to #10 for the reasons stated above .

Also I am opposed to item #11 The current layout will handle 4 vehicles and should be more than ample. By widening the width it would reduce the landscape, possibly jeopardize the existing trees and detract from the view for all the neighbors.

I hope my concerns will be taken into consideration.

Thankyou
D. Morelli
