50. COUNCIL SUPPORT FOR BILL C-233 “KEIRA’S LAW”
(Addendum No. 1)

MOVED by Councillor Yeung Racco
seconded by Regional Councillor Jackson

1. That the recommendation contained in the following resolution of Councillor Yeung Racco, dated April 26, 2022, be approved.

CARRIED

Resolution

Whereas, violence against women is a Canadian public health crisis that demands urgent action; and

Whereas, one in four women experience domestic violence in their lifetime, and one female is killed every other day, on average, somewhere in Canada; and

Whereas, the most dangerous time for a victim of abuse is when she separates from her partner and direct victimization of the child by the abuser dramatically increases the child's risk of harm post-divorce (Justice Canada website); and

Whereas, the COVID-19 pandemic has only exacerbated the domestic violence crisis, with women's shelters and crisis centres reporting a marked increase in requests for services, including increased significant concerns for children; and

COUNCIL MEETING MINUTES – APRIL 26, 2022

Whereas, according to York Regional Police Statistical Reports, domestic violence incidents increased 22% during the first year of the COVID-19 pandemic; and

Whereas, according to Article 19 of the UN Convention on the Rights of the Child, children must be protected from “all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has care of the child;” and

Whereas, according to the Canadian Domestic Homicide Prevention Initiative, recent separation and domestic violence are the two biggest risk factors for domestic violence related child homicides; and

Whereas, each year in Canada, about 30 children are killed by a parent, with custody disputes adding an additional risk factor; and

Whereas, approximately one third of family court cases have substantiated evidence of valid concerns about domestic violence, and these cases must be recognized and treated differently by judges; and

Whereas, according to the National Judicial Institute, there is no mandatory education for judges on domestic violence; and

Whereas, Keira’s Law is named after four-year-old Keira Kagan (a Vaughan resident), who was killed while in the custody of her father in 2020; and

Whereas, Keira’s Law is coming forward through Private Member’s Bill C-233 (An Act to Amend the Criminal Code and Judge’s Act) in order to protect victims of violence and children by amending the Judges Act to establish seminars for judges on intimate partner violence and coercive control; and

Whereas, there is currently an open online petition in support of Keira’s Law, Bill C-233, available through the House of Commons, which has garnered over 3200 signatures to date; and

Whereas, in 2021 City of Vaughan Council supported the illumination of City Hall in purple to commemorate the one-year anniversary of Keira Kagan’s death, where purple represents the Elimination of Violence Against Women and Girls.

It is therefore recommended:

1. That City of Vaughan Council publicly support Keira’s Law and calls upon the House of Commons to support Member of Parliament Anju Dhillon’s Private Member’s Bill C-233 (An Act to Amend the Criminal Code and Judge’s Act); and

COUNCIL MEETING MINUTES – APRIL 26, 2022

 - iii. MP Anju Dhillon, Dorval, Lachine LaSalle;
 - iv. MP Pam Damoff, Oakville North, Burlington;

51. **MOOSE HIDE CAMPAIGN DAY IN VAUGHAN TO END VIOLENCE AGAINST WOMEN AND CHILDREN**

(Addendum No. 2)

MOVED by Regional Councillor Rosati
seconded by Councillor DeFrancesca

1. That the recommendation contained in the following resolution of Mayor Bevilacqua, dated April 26, 2022, be approved.

CARRIED

Resolution

WHEREAS, the Moose Hide Campaign is an Indigenous-led, grassroots movement of men, boys and all Canadians standing up to end violence against women and children and;

WHEREAS, the Moose Hide Campaign was founded along the 'Highway of Tears' in British Columbia in response to the injustices and violence faced by many women and children in Canada, particularly those who are Indigenous;

WHEREAS, it is estimated that half of all women in Canada have experienced at least one incident of violence since the age of 16, and this reality is worse for Indigenous women;

WHEREAS, the Moose Hide Campaign has distributed nearly three million moosehide pins that each spark five conversations about issues of violence against women and children;

COUNCIL MEETING MINUTES – APRIL 26, 2022

WHEREAS, wearing the moosehide pin demonstrates a commitment to honour, respect and protect the women and children in your life, end gender-based violence and take meaningful action towards reconciliation with Indigenous peoples;
