Subject: Minor Variance application A096/22

To Committee of Adjustments

I, Raj K. Saini as president and Chief Executive office of 1478043 Ontario Ltd, owner of building located at 500 New Enterprise Way object to following variances in the above mentioned application.

1. Zoning by law 01-2021, To permit the minimum width of the landscape strip adjacent to street "B" to be 3.00m.
Reason, It will make the building so close to the road and space between two buildings will be very less.
2. Zoning by law 1-88, To permit a 3 meter wide strip of land used for no purpose other land scaping abutting the lot line adjacent to street " B". Reason, Please keep this space as 6 meters.

Please consider our request and don't allow these variations.
