Re: 80 York Hill Boulevard (A132/22)

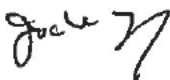

From : Dr Jack Lefkowitz

To Whom It May Concern,

I have reviewed the proposed plans for the school expansion and the minor variance request for relief that is associated with the project at 80 York Hill Boulevard.

I am a resident of 122 York Hill Blvd, which is located within the surrounding area of 80 York Hill Boulevard and support the requested minor variance application for this development to proceed.

Yours sincerely,

Jack Lefkowitz, MD, CCFP
