To Whom It May Concern;

Ohr Somayach Residential Centre Inc is an 8-storey subsidized community housing complex located at 601 Clark Ave W, NE of the subject site. The objective of our building is to service the needs of our growing community by providing affordable housing.

We have received and reviewed the proposed plans for the Eitz Chaim Schools expansion and minor variance request for relief and we are very much supportive of these requests. Based on our review, it is our opinion that these variances are minor in nature yet essential to accommodate the needs of our growing community.

The great work that this institution provides to both the residence of our residential complex and the community as a whole cannot be understated. We are witness to the large growth in the community and the need for Eitz Chaim to expand their current facility.

We are hopeful you will consider our request and we look forward to expanding this wonderful City together.

Co-operatively yours,
