City of Vaughan Official Plan 2010 ('VOP 2010'): "Oak Ridges Moraine Settlement Area" by Schedule 4 – Oak Ridges Moraine Conservation Plan & Greenbelt Plan Areas and "Low-Rise Residential" by Schedule 13 – Land Use

**Comments:**

The Owner is requesting permission to construct a pool with the above-noted variance.

The Development Planning Department does not have any concerns with the above-noted variances as the subject property is pie-shaped, and the pool is to be located within what effectively functions as part of the rear yard. The proposed pool also complies with all rear yard and side yard setback requirements.

An Arborist Report prepared by P & A Urban Forestry Consulting Ltd., dated May 10, 2022, was submitted in support of the application. The Urban Design Division has reviewed the submitted report and concurs with the recommendations.

Accordingly, the Development Planning Department can support the required variances and is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-laws, and is desirable for the appropriate development of the land.

**Recommendation:**

The Development Planning Department recommends approval of the application.
