TITLE: THINKING GLOBALLY, ACTING LOCALLY IN VAUGHAN

FROM:
Councillor Tony Carella

***Whereas**,* global warming is an accepted fact by the bulk of the world-wide scientific community and

***Whereas**,* to be successful in addressing of the problem of global warming, every sector of society in every part of the world must make its contribution to that effort; and

***Whereas**,* the exhortation to "Think globally, act locally" makes the best sense in the context of reversing global warming;

***It Is therefore recommended**:*

1. That appropriate staff of the City of Vaughan bring forward to the Council meeting of June 28, 2022, a list of five "quick wins" appropriate at the municipal level to address the issue of global warming.
