This is my response to the virtual verbal deputation by Harvey Korman made at the June 21st 1pm meeting including the ensuing discussion which I was not allowed to be a part of. And because Mr. Korman spoke right after my verbal deputation made live in council chambers I was not able to offer a rebuttal in my verbal deputation.

Thornhill Community Hockey League (TCHL) is a Markham (non Vaughan) CSO that receives extra ice allocation in Markham. So for the following reasons TCHL should not receive ice permits in Vaughan L4J (Thornhill) arenas.

- TCHL which is not to be confused with Thornhill-Carrville Hockey School (TCHS) is a Vaughan CSO and TCHS does not get ice allocation in Markham nor any other municipality outside of Vaughan.
- TCHL is a Markham CSO which not only gets ice allocation for Markham residents in their programs but also for Vaughan L4J (Thornhill on the Vaughan side) members. No other Markham CSO has this benefit.
- While Thornhill Figure Skating Club (TFSC) gets ice both sides of Thornhill they do NOT receive extra ice allocation in Markham for Vaughan L4J residents and thereby are not double dipping in ice allocation across municipalities.
- Thornhill Baseball Club and Kleinberg Nobleton Soccer Club are two Vaughan CSOs that receive permits in neighbouring jurisdiction in addition to Vaughan but are not double dipping in baseball field allocations.
- The president of TCHL is Julian Herzberg (not Harvey Korman) and Mr. Herzberg did not make a deputation on behalf of TCHL in seeking a resolution with CVHA or CoV recreation services to get ice allocation in Vaughan for TCHL.

Thereby, TCHL should **not** receive ice time in Vaughan as it would allow them to double dip on ice times for L4J residents. So, I Hiten Patel on behalf of TCHS (Vaughan CSO) reject Mr. Korman's position that TCHL should get ice in Vaughan arenas Rosemount and Garnet Williams Arenas. This would take away potential ice time availability that should be afforded to TCHS.

On this point I agree with CVHA but Vaughan does need to have at least three districts for house league hockey to align with best practices by other municipalities across the GTA. This was stated in my communication C19 posted for June 21st meeting.

Sincerely,
Hiten Patel
