Hello,

I am Ion Bugantev resident of Glen shields area. I am living at [REDACTED] spyglass hill rd , Concord , l4k2k7.

I would like to let you know that me and my family are against of proposed plan to build 9 and 7 storey building at 80 Glen Shields Ave . This will increase traffic in the area and also looking at the building size it will take extra land space from the park.

Thank you,
