**Subject:** [External] Glen Shields Community Development

To whom it may concern,

Our Glen Shields Community is very much against this development.  
Official Plan Amendment File OP.21.030  
Zoning By-Law Amendment File Z.21.058  
Our family has been living in the Glen Shields Community for many years.  
Our kids go to local daycare and local school.  
We are very much against this Development.  
Our neighborhood is a Residential neighborhood of single detached homes.  
Building Condos/Apartments here will cause  
Lots of traffic  
Noise  
Pollution  
Disruption of daycare services  
Disruption of access to pharmacy.  
A lot of people who live in this area and enjoy access to pharmacy and day care do not drive and have no cars.  
That will put a lot of residents in a very uncomfortable and unacceptable situation during the construction period.  
We would highly appreciate if this builder could Pick a different location for his project.
