**Re: Request for City to Update Heritage Records
Lorwood Holdings Inc.
3180 Teston Road
Application File No.: 19T-20V006, Z.20.033**

On behalf of Lorwood Holdings Inc., owner of land located at 3180 Teston Road, we are requesting that the City update its Municipal Register to remove the heritage listing for this property. We can advise that there are no existing structures currently on the site and nor has there been for numerous years as the building was previously destroyed in a fire and there are no other documented heritage attributes surviving.

We understand that this is a housekeeping exercise and wish to confirm that it will be undertaken and confirmation of such be provided to the registered owner of such.

Yours truly,
HUMPHRIES PLANNING GROUP INC.
