

Communication : C 1
VMC Sub-committee
September 20, 2022
Agenda Item # 2

TTC VMC O&M Agreement

VMC Mobility Hub

Initiatives to deliver seamless and consistent citizen experience

- Confirmation of various stakeholders' areas of responsibility
- Coordination of various stakeholders' maintenance activities and levels of service in the Mobility Hub
- Negotiation and execution of O&M agreements with stakeholders as required

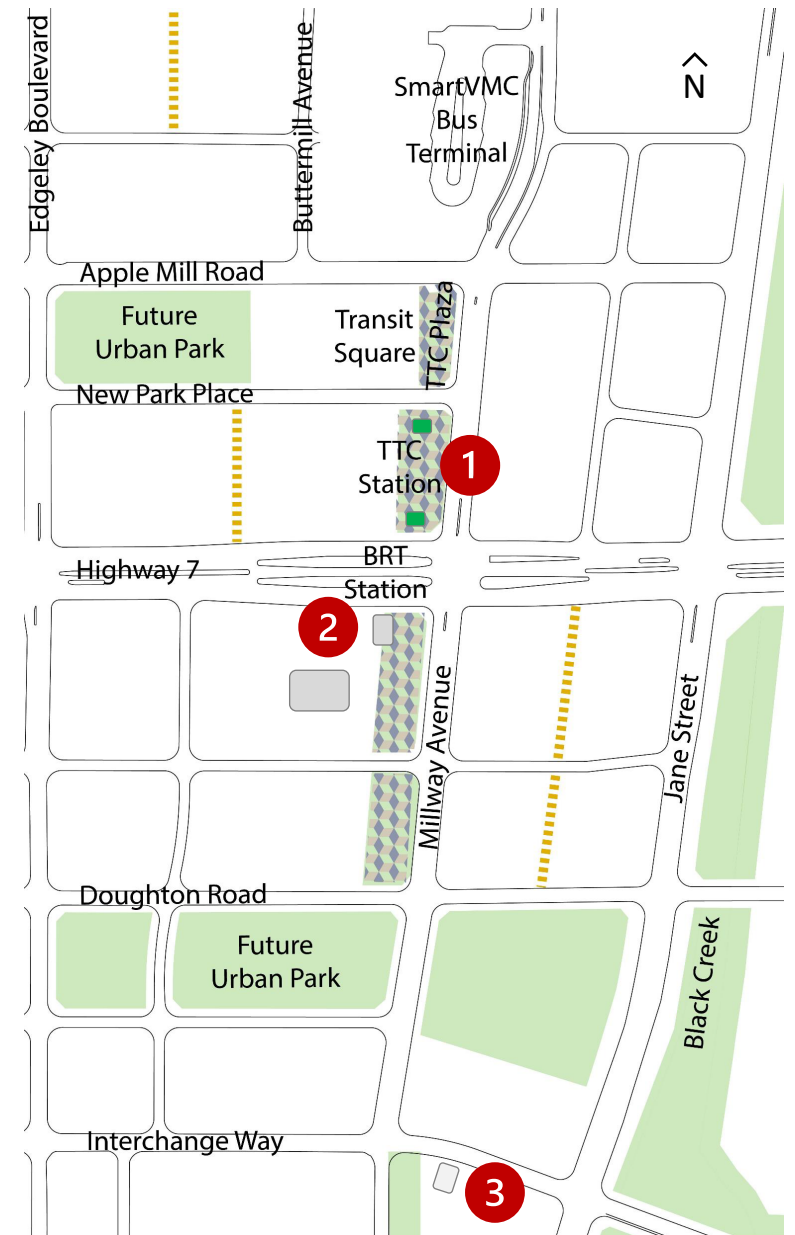

A background image showing two people in business attire shaking hands. The person on the left is wearing a dark suit, and the person on the right is wearing a white shirt. The background is blurred, showing an office environment with plants and modern architecture.

Agreement Principles

- City will perform winter and summer maintenance
- Working group to be established to coordinate mutual interests regarding O&M
- Agreement to be reviewed every 5 years
- TTC and the City shall develop a communications protocol
- Address insurance, indemnification, cost reimbursement, dispute resolution

Maintenance Locations

1. Station platform
2. South side of Highway 7
3. Interchange Way

Service Excellence through Partnership

- Seamless user experience
- Consistent service levels
- Presentation befitting City core
- Cost neutral
- Good corporate citizenship
