Subject: [External] Concern re Amendment file z.22.022

Hello,

My name is Maria Corvinelli and my husband Loreto and I would like to share our concerns re: 100 Treelawn Blvd in Kleinburg, Ontario. We are the owners of [REDACTED] Treelawn Blvd. The following are our concerns:

- severing a lot would create a wrong precedent for the neighbourhood
- character homes is what defines our neighbourhood and adding 2 homes side by side that have mirrored images would take away from the aesthetic of our beautiful street
- the street scape should be protected (the committee should walk on Treelawn Blvd before approving this!)
- A new home on Granary that was recently built stands out like a sore thumb and does not look good in the neighbourhood
- noise pollution, dirt on the road, traffic on our street (building 1 house is already bad let alone building 2 houses side by side)**
- we have a dog that our children walk and having all this construction poses a safety concern/risk for us**

We moved into our home in June 2020 because we loved the character and charm of this Kleinburg neighbourhood. We would be very disappointed if this is approved. We would like our beautiful street to be preserved of this beauty.

Thank you,
Maria and Loreto Corvinelli
