RE: Letter of Support for A254/22 Application for Minor Variance

81 Cherokee Drive, City of Vaughan

I have spoken with the owner of 81 Cherokee Drive, Maple, Ontario and I am aware of the following minor variance

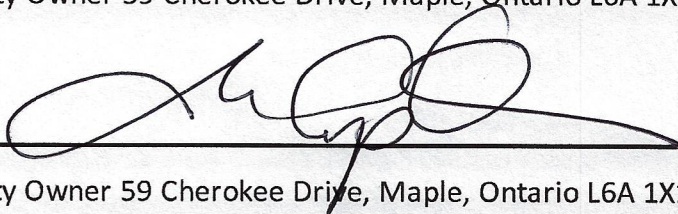

- To permit a set back of 2.13m for a shed and bathroom for a pool

Based on conversation with Vince and Carmela Porcelli we accept and agree to the completion of construction for the shed and bathroom structure located in the north west corner of 81 Cherokee Drive, Maple, Ontario L6A 1X1

RE: Letter of Support for A254/22 Application for Minor Variance
81 Cherokee Drive, City of Vaughan

My name is Silvio Rende and I am a neighbor of Vince & Carmela Porcelli at 81 Cherokee Drive. I live across the street at 76 Cherokee Drive and I have lived here for 18 years.

It is my understanding that they have applied for a minor variance (A254/22) to the City of Vaughan in order to permit a specific set back to their shed and bathroom for their pool in the backyard.

I would like to take this opportunity to express my support for the project and the application

Regards,

Silvio Rende
