Adoption of February 6, 2020 Minutes

The Committee moved the approval of the February 6, 2020 minutes to the end of the agenda in order to review correspondence from Olton Hysenbegas, 141 Concord Road, dated February 6 & 27, 2020, requesting revisions be made to the draft minutes.

The Committee approved the following changes to the February 6, 2020 minutes (changes in bold):

Addition to “Comments” Paragraph 12: **In response to Member Antinucci, Ms. Hysenbegas commented that the fence is required to accommodate the pool, therefore it should be taken into consideration.**

Revision to “Comments” Paragraph 16: He questioned the policy requirements that dictate the size of the sight triangle and reviewed Appendix A of the petition submitted and the Transportation Agency of Canada (TAC) guidelines **~~pertaining to the sight distance for a minor road with stop controls.~~**

Addition to “Comments” Paragraph 19: Mr. Hysenbegas reviewed the TAC guidelines and questioned how pedestrians running or jogging would be incorporated into the sight triangle calculation (**concerns outlined on page 6 of the petition submitted**).

Addition to “Comments” Paragraph 23: **In response to Mr. Di Febo, Mr. Hysenbegas opined that the approval at 40 Concord Road was not a true comparison because the pool was located almost entirely in the rear yard.**

Moved By: A. Antinucci
 Seconded By: R. Buckler

THAT the minutes of the Committee of Adjustment Meeting of Thursday, February 6, 2020, be approved as amended.

Motion Carried.

Subject: [External] Re: City of Vaughan File Reference: A182/19, Backyard Deck of #1 Edison Place

Dear Sir/Madam,

We are writing to **oppose** to the oversized deck structure.

It is with disappointment and regret to see that the house owner of 1 Edison Place would have built such a huge deck in violation of the Vaughan City-bylaw. A MINIMUM 7.5-metre setback has been reduced to 3.78 meters only. This is a 3.72- meter advance towards the neighbor's backyard.

This violation sets a very bad example for other neighbors on Edison Place. We could hardly imagine if all neighbors go ahead and build such structures without applying for a permit in advance and the least consideration for their neighbors' privacy and interest in mind.

We look forward to an impartial and unbiased hearing decision from the city that will protect all taxpayers' interest.

Best Regards,

Dorothy. Z Pan and Y. Zhang
