Good Evening Everyone,

I am also in opposition to the 4130 King Vaughan Road development and will send in an email to this effect. It would appear that this sort of blatant illegal use of agricultural lands has been going on for some time. Precedents are being set in these cases that if not stopped now will inevitably set the pace for more of the same. The City of Vaughan Legal Department needs to execute stop work and court injunctions to halt these sites.
