**Re: File # A250/22; Application DA.22.039**

Applicant: Mesivta Ohr Temimim Lubavitch

Location: 7555 Bathurst Street

Attn: Committee of Adjustments,

We, the owners of the property at 586 Spring Gate Blvd., have reviewed the proposed Variance Requests (numbered 1 through to 6, subject to Zoning By-law 001-2021, and 7 through to 12, subject to Zoning By-law 1-88) regarding the Application referenced above. As we have no issue with any of the Requests, we ask the Committee of Adjustment to rule in favour of the Variances so that the application can move forward.

Thank you kindly for your consideration,
