Hi,

I heard of a hearing regarding the minor variance applications A296/22 and A297/22 regarding the Joseph & Wolf Lebovic Jewish Community Campus. I wanted to convey my support for the project and minor variances requested.

I have 2 kids that grew up in the area playing hockey. There was never an arena near our house and as such, we had many long car rides (some just within Vaughan) so my kids could play the sport they love.

Additionally, we have been told that there will be park enhancements, as well as ice time available for community use, all at no cost to the taxpayer. This seems like a huge win for all of our residents in our immediate neighborhood.

Should you require anything further, please do not hesitate to contact me.

Regards,
