- Respond to the request received from Reena for the date of January 18, 2023.

Recommendations

1. THAT March 2023 be proclaimed as "Amyloidosis Awareness Month";
2. THAT January 18, 2023, be proclaimed as "Reena's 50th Anniversary"; and,
3. THAT the proclamations be posted on the City's website and the Corporate and Strategic Communications department be directed to promote the above-noted proclamations through the various corporate channels.

Background

Amyloidosis Awareness Month

The CASN is a federally registered non-profit organization that assists patients and families impacted by amyloidosis. As per information from CASN, amyloidosis refers to a group of diseases caused by deposits of abnormal proteins, known as amyloid, in one or more organs of the body causing organ impairment or failure.

The organization is working on an awareness campaign to recognize March 2023 as Amyloidosis Awareness Month. March is internationally recognized by the Amyloidosis Foundation to raise awareness.

Reena's 50th Anniversary

Reena is celebrating its' 50th anniversary in 2023. The organization was started in 1973 and has become a large and influential support service agency in the developmental and mental health sector.

As per information provided by the organization, Reena promotes dignity, individuality, independence, personal growth and community inclusion for people with diverse abilities. Reena provides supportive housing, programming and employment services to over 1,000 individuals with developmental disabilities including autism and those with mental health challenges.
