Hello,

I would like to ask City Council to consider requiring the applicant construct a lane to merge onto the southbound Hwy 400 onramp directly from this development to avoid loading vehicle traffic onto Hwy 7 to access the southbound ramp. Please also consider requiring a northbound Hwy 400 to Hwy 7 offramp lane to connect directly onto Colossus drive to allow vehicles to exit Highway 400 northbound and access this development without having to travel onto Hwy 7 and adding additional loading of vehicle traffic onto Hwy 7.

No further concerns than those described above.

Thank you,

John-Paul Cautillo
