

A042/22

To the City of Vaughan and the Committee of Adjustment and Planning
Department,

I am the homeowner of **64 Donhill Crescent** and I have reviewed the plans and
variances related to the construction of a new detached dwelling at 52 Donhill
Cres, and I have discussed them with the applicant. I have no objection to the
proposal and support the application for minor variances.

Thank you.

Carmine G. Montemarano
