Subject: [External] Community Centre in Kleinburg

To whom it may concern,

As the continued growth of Kleinburg is clearly underway, the need for a community centre is great! Kleinburg has always been a town of 'villagers coming together' so to speak, and we need to carry on that tradition, as well as welcome the new and future generations to part take in our beautiful community. Being apart of numerous community events (Bindertwine/Take 5/Book Club), I've been in our current spaces such as The Klein House , Canadians Square, and The Pierre Burton Church/Centre., and such spaces have become quite limited over the years.

We need to be able to house our events, volunteers, visitors with much more capable space, In order to continue thrive in our growing community!

I've also heard the mayor himself, Mr.Bevilaqua say, 'Kleinburg is the Jewel of Vaughan' in one of his speeches addressing the community years ago! :) Therefore, in order to continue for Kleinburg to shine like the Jewel it is, we need our city to continue supporting the future our fine people of Kleinburg!
