Dear Sir/Madame:

**Re: City of Vaughan Committee of the Whole (Public Hearing) – February 28, 2023
Your File No. OP.22.019/OP.22.020/OP.22.017/OP.22.028
Z.22.039/Z.22.040/Z.22.041/Z.22.037
File No. 01220216**

We are counsel to TACC Developments and Fieldgate Developments (the "Landowners").

Several years ago, the Landowners, who were also landowners within Blocks 33 and 40 South, located south of the lands associated with the above noted applications, installed oversized and/or extra depth sewer pipes (the "Upgraded Pipes") in Blocks 33 and elsewhere to provide improved sewer conveyance capacity for the future development of Block 41. The cost of the Upgraded Pipes is estimated to be approximately \$5.5 million.

Since that time, several other land developers have initiated development applications in the tributary area of the Upgraded Pipes. Given that the Upgraded Pipes currently have conveyance capacity, the Landowners are concerned that other developers may make/have made applications to the City of Vaughan (the "City") to make use of this currently available capacity for their developments, such that when it comes time for Block 41 to actually make use of the Upgraded Pipes, a reduced capacity may be available, thereby limiting the development of the Landowners' lands within Block 41. Furthermore, the Landowners are concerned that they will not be compensated by others for their investment in the pipes.

These applicants have not made any financial contributions towards the Upgraded Pipes. The Landowners assert that no development should be permitted for the above noted Applications

without the following policies and provisions being included in the Official Plan Amendment and implementing Zoning By-law:

1. For the Official Plan Amendment, that a policy be included in the Official Plan Amendment to permit the City to use Holding ("H") provisions as per the *Planning Act*; and
2. For the Zoning By-law, that an H provision be imposed on the lands subject to the application requiring the following to occur in order for it to be removed:
 - (a) Confirmation from the Landowners that they have been provided full allocation for their lands; and
 - (b) Confirmation from the Landowners that they have been compensated on a pro rata basis for any use of the pipes.

The Landowners also request timely notification of all decisions and upcoming meetings relating to the Applications and notification of any future applications that may occur on the lands subject to these applications.

Yours truly,

Stevenson Whelton LLP

Ed Hiutin*

2338 MAJOR MACKENZIE DRIVE INC.

Communication: C2
Committee of the Whole (PM)
February 28, 2023
Item #2

WESTON
CONSULTING

CONSULTANT TEAM

AREA CONTEXT

- Located in the Village of Maple, within the City of Vaughan
- Site Frontage: 60.45m
- Site Area: 0.56 hectares (1.40 acres)
- Located in proximity of the Major Mackenzie Drive and Keele Street intersection.

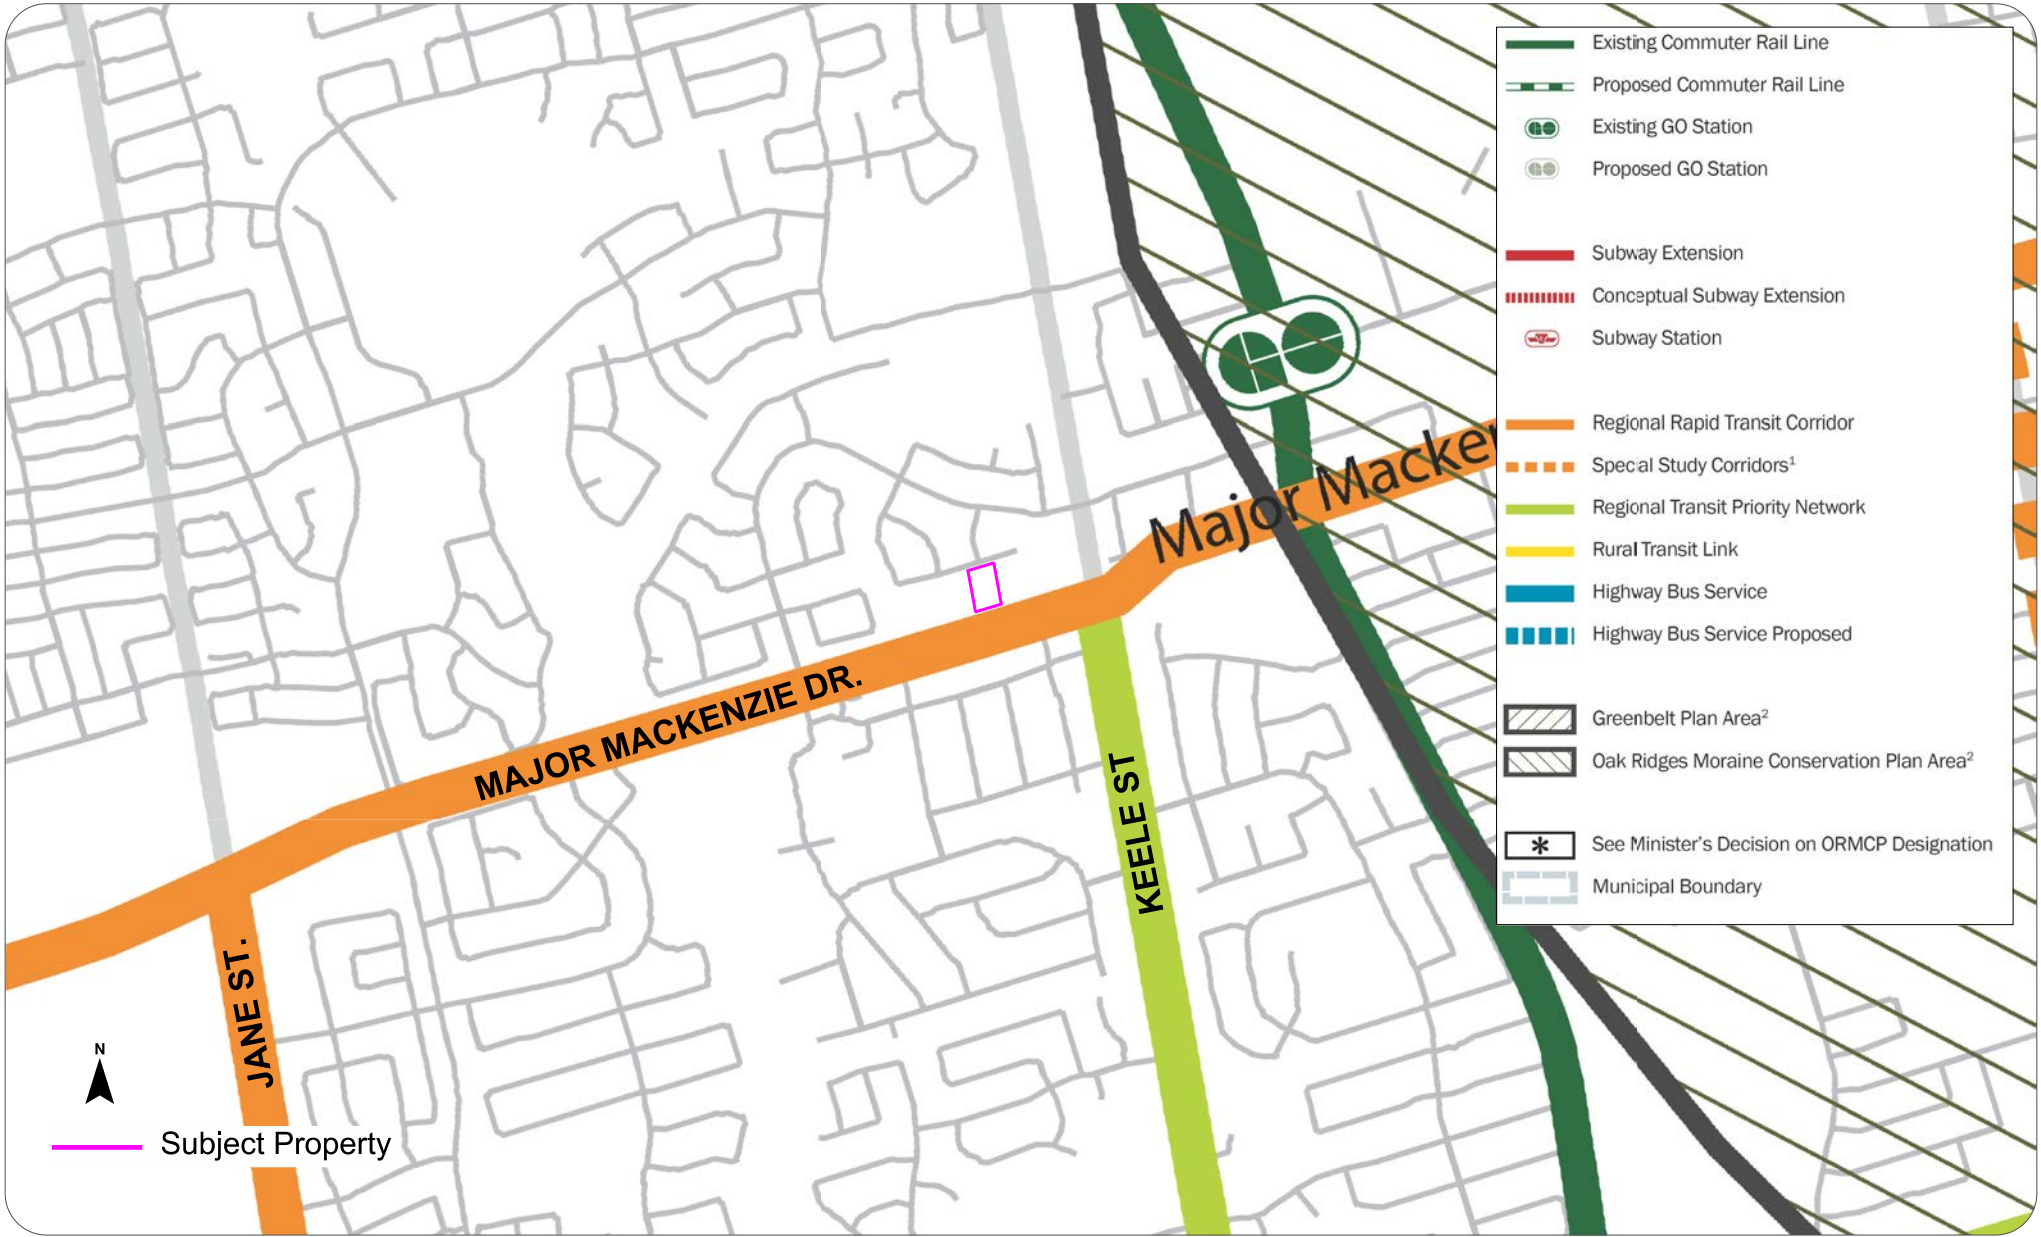

PLANNING CONTEXT

- Region of York Official Plan designates Major Mackenzie Drive as a *'Rapid Transit Corridor'*
- City of Vaughan Official Plan Designations
 - Located within *'Local Centre'* Intensification Area

PLANNING CONTEXT

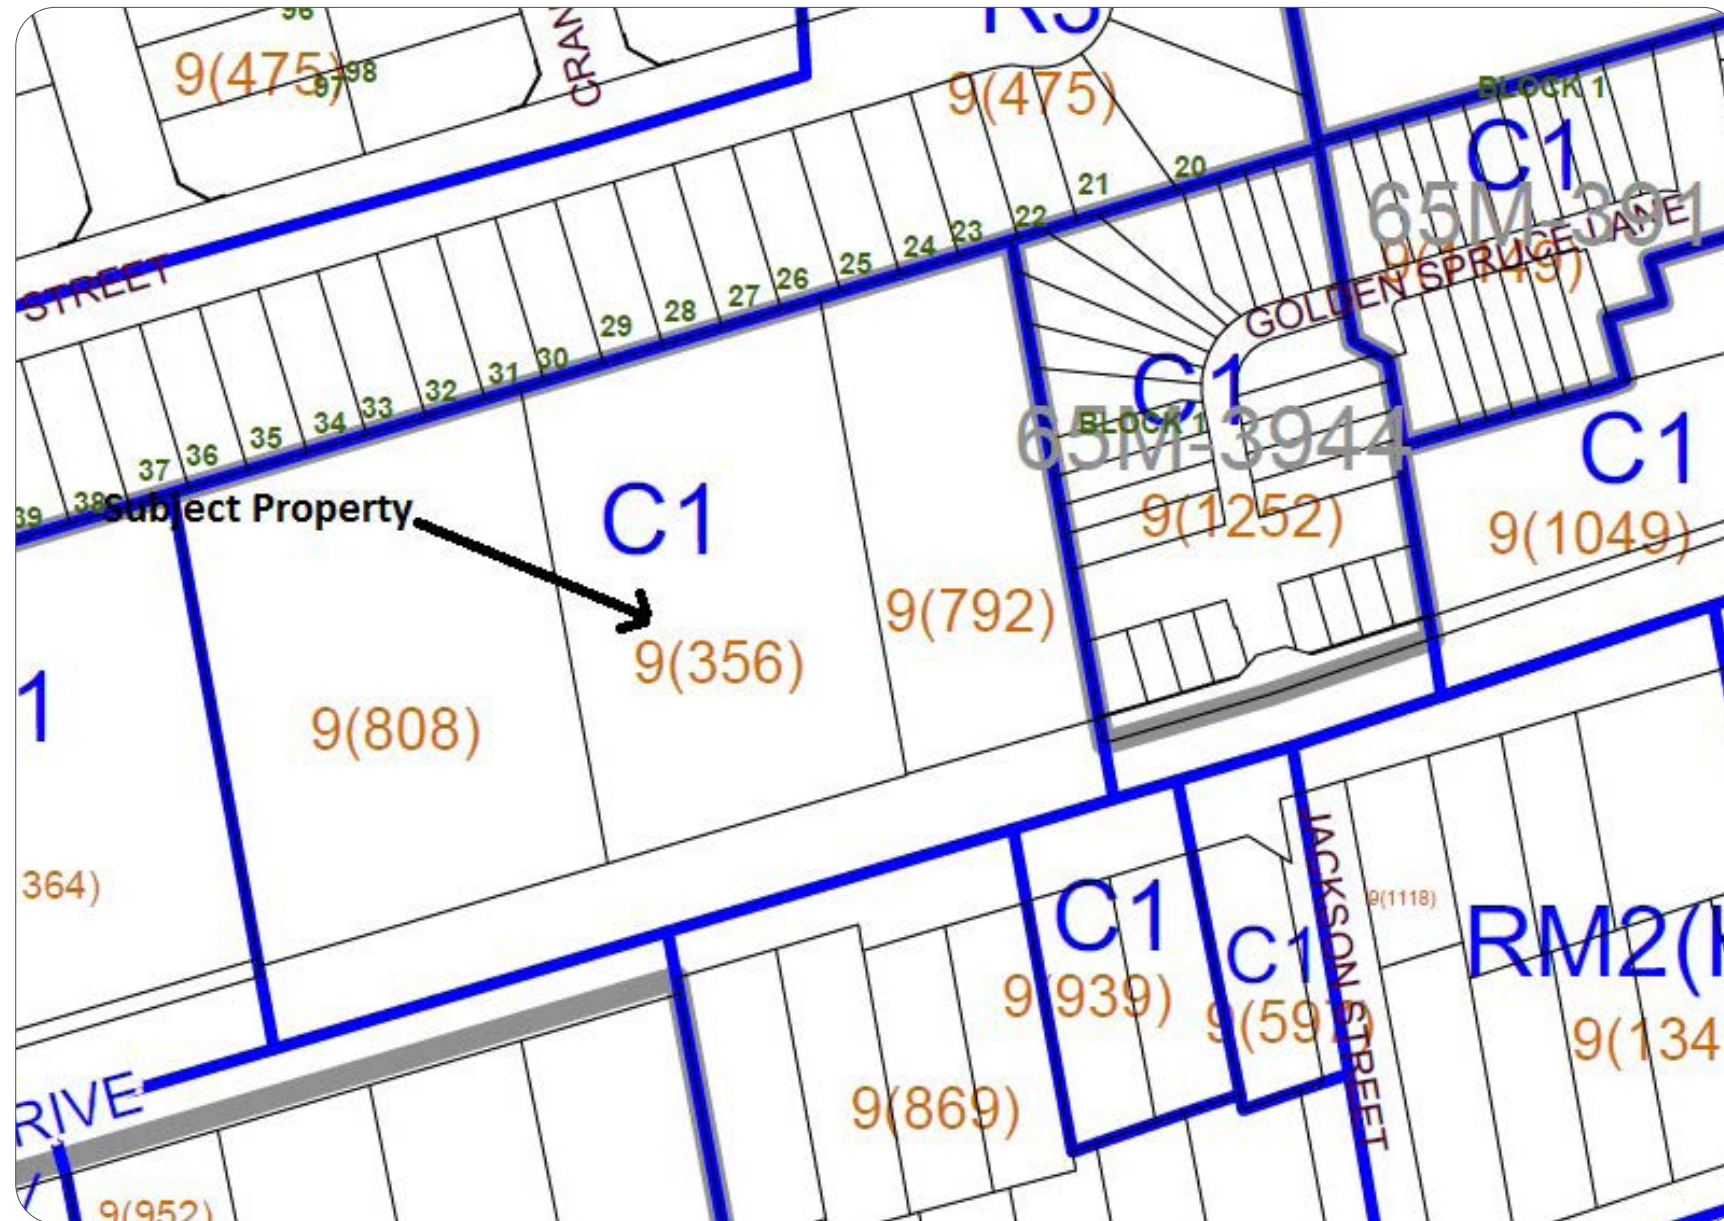

PLANNING CONTEXT

- City of Vaughan Official Plan
 - Land Use: **Low-Rise Mixed-Use**
 - Permits a mix of low-rise apartment buildings, community and small-scale retail uses intended to serve the local population

PLANNING CONTEXT

- City of Vaughan Zoning By-law 1-88
 - Zoned: **Restricted Commercial 'C1'**
 - Permits: A wide mix of commercial, institutional, and retail uses carried only within a shopping centre. No open storage is permitted.
- Site Specific Exception 9(356)
 - Permits additional institutional, commercial and retail uses

PLANNING CONTEXT

- City of Vaughan Zoning By-law 01-2021
 - Zoned: **Main Street Mixed-Use – Maple Zone ‘MMS’**
 - Permits: A mix of apartment residential, commercial, institutional and service establishment uses
- Site Specific Exception 196
 - Carried forward from Zoning By-law 1-88

PROPOSED DEVELOPMENT

Development Statistics

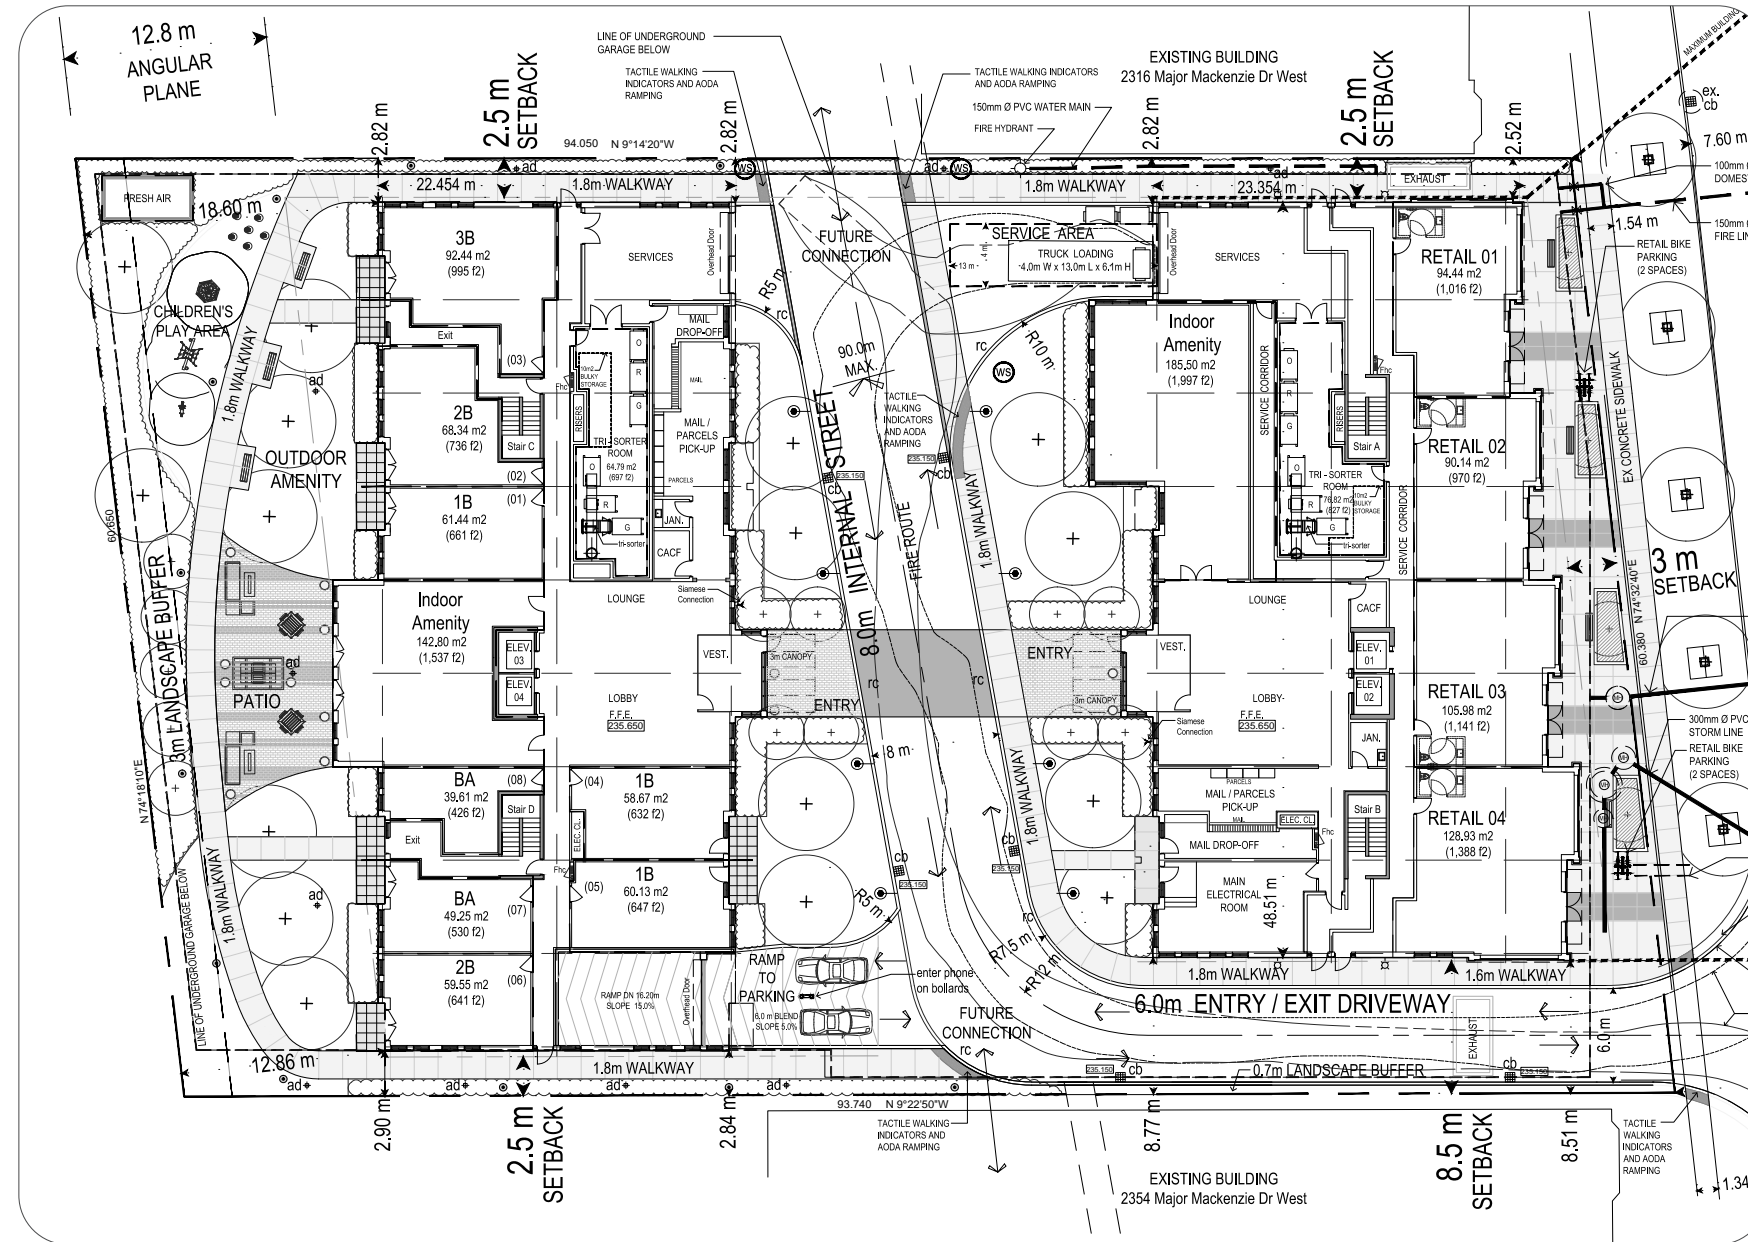

- Building A is a mixed-use apartment building with at-grade retail and Building B is a residential-only apartment building.
- 4 Storeys (12.2 metres)
- Units: 110
 - Bachelor: 11 Units
 - 1 Bedroom: 48 Units
 - 2 Bedroom: 38 Units
 - 3 Bedroom: 13 Units
- Gross Floor Area (Residential): 9,533.31 m²
- Gross Floor Area (Retail): 419.49 m²
- Floor Space Index: 1.76
- 1 Level of underground parking
- Parking supply: 134 spaces
 - 0.9 spaces per residential unit
 - 2.9 spaces per 100 m² for commercial uses
 - 0.2 spaces per unit for visitors spaces

ELEVATIONS

- The urban design strategy for the proposed development ensures consistency with the Village of Maple Heritage Conservation District Plan.

PROPOSED DEVELOPMENT

- Building blocks are arranged to concentrate driveways, services and loading in the interior.
- Grade-related retail enhances the public-private realm and appropriate landscaped transition is provided.
- Generous rear yard setback allows for a landscaped amenity space and appropriate transitioning to the low-rise neighbourhood to the north.
- Each retail unit will have separate entrances and be directly connected to the sidewalk.

ANGULAR PLANE

- Building B is entirely contained within an angular plane projected from the rear lot line.

LANDSCAPE AREAS AND STREETScape

DEVELOPMENT APPLICATIONS

1. Official Plan Amendment

This amendment seeks to permit:

- Permit a maximum building height of four (4) storeys
- Permit a maximum density of 1.8 FSI

2. Zoning By-law Amendment

Zoning By-law 1-88

Rezone the subject lands from *Restricted Commercial 'C1'* to *Apartment Residential 'RA1'* with site-specific exceptions.

Zoning By-law 01-2021

The amendment seeks to maintain the *Main Street Mixed-Use - Maple Zone 'MMS'* and remove current Exception '196' and replace it with a new set of site specific exceptions.

NEXT STEPS

- Review comments from tonight's Public Meeting and consider revisions where appropriate
- Provide a resubmission of the applications to the City of Vaughan to address comments received
- Attend the City of Vaughan Heritage Review Committee and receive comments

Thank You

Mayor and Members of Council
City of Vaughan
c/o Office of the City Clerk
2141 Major Mackenzie Drive
Vaughan, ON
L6A 1T1

Dear Mayor and Members of Council:

**Re: Applications by Intergreen Development (BT) Inc. ("Intergreen")
Official Plan Amendment File OP.22.014
Zoning By-law Amendment File Z.22.035
Draft Plan of Subdivision File #: 19T-22V010
VMC West Core Services Cost Sharing Agreement
City of Vaughan**

I act on behalf of VMC West Trustee Inc. (the "**Trustee**"), the trustee established to implement infrastructure cost sharing arrangements between land developers for the western quadrants of the Vaughan Metropolitan Centre ("**VMC West**").

In 2019, the majority landowner in VMC West, 2748355 Canada Inc. ("**274**"), entered into a pre-servicing arrangement with the City of Vaughan (the "**City**") to front-end finance and construct Phase 1 of the VMC West Interchange Sanitary Sewer Improvements located south of Highway 7. The VMC West Interchange Sanitary Sewer Improvements will service the drainage area for the entirety of the VMC West area and are a key piece of municipal infrastructure needed to facilitate any residential or commercial redevelopment within VMC West.

The Trustee, 274, and the City have now entered into a Spine Servicing Agreement to deal with the front-end financing and construction obligations for the VMC West Interchange Sanitary Sewer Improvements. Furthermore, a cost sharing agreement to share the burdens associated with the Spine Servicing Agreement between developers within the VMC West area (the "**VMC West Cost Sharing Agreement**") has been executed between 274 and other developers in VMC West. Both agreements are intended to implement the requirements of the VMC Secondary Plan for the construction and cost sharing of the VMC West Interchange Sanitary Sewer Improvements.

Consistent with conditions of approval of other developments in the VMC West area, **we ask that the City include a condition of final approval of Draft Plan of Subdivision 19T-22V010**

requiring Intergreen become a party in good standing to the VMC West Cost Sharing Agreement and obtain a clearance letter from the Trustee.

Please do not hesitate the undersigned should you have any questions.

Yours truly,
DAVIES HOWE LLP

Daniel H. Steinberg

Committee of the Whole (PM)
February 28, 2023
Item #5

25 Interchange Way, Vaughan

Intergreen Development (BT) Inc.
Official Plan Amendment & Zoning By-law Amendment

PUBLIC MEETING
February 28th, 2023

MALONE GIVEN PARSONS LTD.

25 Interchange Way

- Subject Lands located on the northeast corner of Interchange Way (North-South) and Interchange Way (East-West)
- Located within the VMC
- Area: 1.42 hectares (3.52 acres)
- 170 m of frontage on Interchange Way (N-S)
- 85 m of frontage on Interchange Way (E-W)

 **SUBJECT LANDS**
25 Interchange Way
Vaughan, ON

Site Context

- Located 300 m south of Highway 7, and 500 m southwest of the VMC Subway Station
- Served by local and regional transit routes including TTC Line 1, VIVA Blue, and ZUM Route 501
- Multiple applications underway for development in the VMC
- Approved surrounding heights: 13-59 Storeys

Proposed Concept

- Official Plan and Zoning Bylaw Amendment Applications to facilitate development
- Block 1: High-rise mixed-use condominium
 - 55 and 45 storeys atop a podium (4 and 5 storeys)
 - 1,084 units, including 5 townhouse units
 - 1,593 m² of retail space at grade along the Interchange Way (N-S) frontage
- Block 2: 0.418 ha Strata Park
- Underground parking spanning the entirety of the site
- 12.0 m Private Road (East-West) bisecting Blocks 1 & 2

Proposed Concept – Ground Floor Plan

East & West Elevations

Renderings

Official Plan Amendment

- **Vaughan Metropolitan Centre Secondary Plan**
 - Existing Designation: South Precinct and Major Parks and Open Spaces
 - Maximum Height: 25 Storeys
 - Maximum Density: 4.5 FSI
 - Proposed Designation: to add site specific provisions (Area 'X' on Schedule K of the VM CSP), including:
 - Maximum Height: 55 Storeys
 - Maximum Density: 7.74 FSI
 - To replace public local road bisecting site with a 12.0 m private road
 - Permit a strata park and parking underground, and 100% parkland dedication credit for the strata park

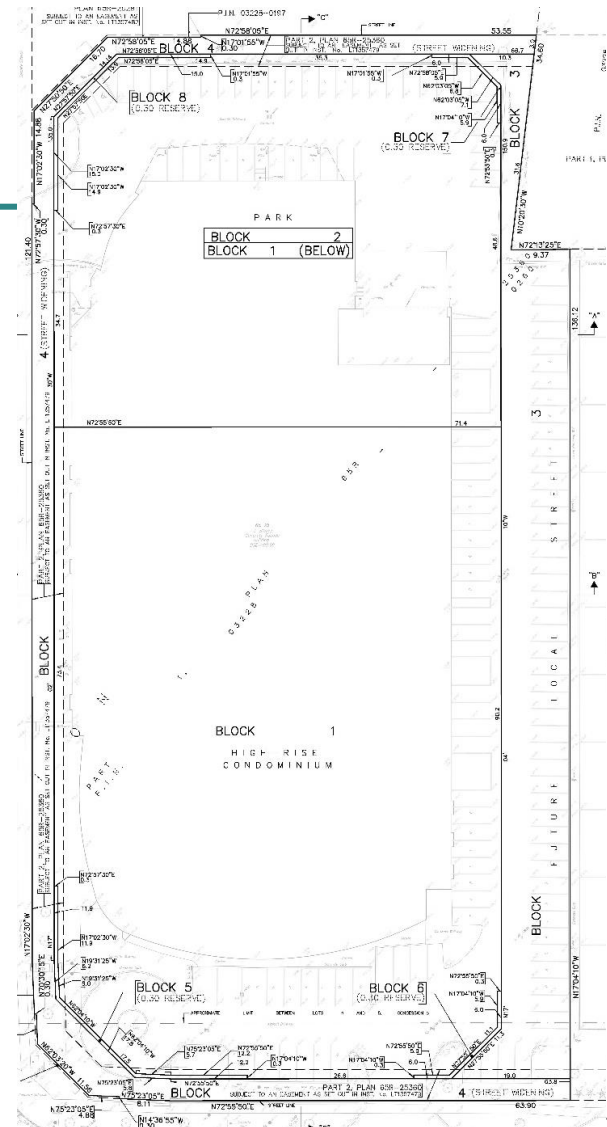

Zoning Bylaw Amendments

- **Zoning Bylaw 1-88**
 - Rezone from: EM1 – Prestige Employment Zone, Exception 9(957)
 - To: C9 – Corporate Centre Zone and OS2 – Open Space Park with site specific exceptions
- **Zoning Bylaw 001-2021**
 - Rezone from: Vaughan Metropolitan Centre South Zone - V2-S(5-25)-D(2.5-4.5) Exception 635 and OS1 Public Open Space Zone Exception 635
 - To: Vaughan Metropolitan Centre South Zone V2-S(45-55)-D(5-7.74), and Public Open Space Zone OS1 with site specific exceptions
- **Permissions Sought:**
 - Permit podium townhouse dwellings and a strata park
 - Revised parking ratios
 - Maximum height: 55 Storeys
 - Maximum Density: 7.74 FSI

Draft Plan of Subdivision

- Meets all the criteria of Section 51(24) of the Planning Act
- Breaks site into blocks:

Block	Area
Block 1 (High-Rise Condominium)	0.73 ha (1.80 ac)
Block 2 (Strata Park)	0.418 ha (1.08 ac)
Block 3 (Future Local Street, N-S)	0.160 ha (0.41 ac)
Block 4 (Street Widening, E-W)	0.110 ha (0.22 ac)
Block 5 (0.30 m Reserve)	0.002 ha (0.005 ac)
Block 6 (0.30 m Reserve)	0.001 ha (0.002 ac)
Block 7 (0.30 m Reserve)	0.001 ha (0.002 ac)
Block 8 (0.30 m Reserve)	0.001 ha (0.002 ac)
Total	1.423 Ha (3.52 ac)

Planning Analysis

- Technical studies completed indicate no adverse impacts to surrounding properties:
 - Sun Shadow Analysis
 - Noise Report
 - Pedestrian Level Wind Study
- Design elements will be determined and employed at the detailed design stage, subject to further study.
- Implements the policies of:
 - Growth Plan for the Greater Golden Horseshoe;
 - York Region Official Plan;
 - City of Vaughan Official Plan;
 - Vaughan Metropolitan Centre Secondary Plan, and;
 - is consistent with the Provincial Policy Statement.

OP.22.017_Z.22.037_OP.22.018_Z.22.038_Z.22.039

Members of Committee,

My name is Pietro Andrisani and I am the owner of [REDACTED] Weston Road in the City of Vaughan. My property is located on the east side of Weston Road between Teston Road and Kirby Road.

The properties to the north and south of my lands are currently subject to applications for development as noted in the list below. Both applications are to be presented to the community at the February 28th 2023 Committee of the Whole Public meeting.

Property to the north: 11211 Weston Road, City File: OP.22.018, Z.22.038 & 19T-22V012.

Property to the south: 11091 Weston Road. City File: OP.22.017, Z.22.037 & 19T-22V011.

I understand that the lands north and south of my property will eventually be developed according to the policies of the secondary plan. That said, I do have interest in the development applications listed above in so far as they impact the future viability and configuration of development on my property. In that regard, both applications included drawings showing access points to Weston Road, internal road interconnections and a distribution of community features such as parkland. I was not consulted prior to these being drafted and have not yet had the opportunity to review them in depth. As such, I do not necessarily agree with the drawings as they relate to road patterns and location of community features on and around my property. I would further ask that any design on my property not be included in the next submission.

Accordingly, I would ask that Council and staff direct the applicants to further consult and coordinate with their neighbor's prior to future submission. Further, I would ask that I be kept apprised of future meetings and decisions with regard to these applications.

Respectfully,

Pietro Andrisani
