To Whom it may Concern, Please forward I am profoundly opposed to a proposed condo being allowed to be erected on the corner of highway #7 & Wigwoss in Vaughan. I want my reasons to be recorded and taken into serious consideration by Vaughan City Hall Council.....our ELECTED representatives.

- Safety issues are already a growing concern arising from existing traffic congestion at this corner....as #7 is reduced to 2 lanes at this junction.

As a direct area resident, we live at [REDACTED] Arrowhead Drive, should we not I expect at least the same level of consideration as condo developer. Since my family moved here in 1993, we have seen our neighborhood painfully sold out to developers.....Does not City Council represents our best interest?

I want/would respect council to protect their taxpayers and stop this proposed condo from moving forward, at least until such time that all levels of governments are able to investigate and analysis how our neighborhood will be impacted.

Sincerely, James & Gina Muccilli & family (6 residents)
