Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application, as required by Ontario Regulation 200/96, the following conditions have been recommended: None

IMPORTANT INFORMATION – PLEASE READ	
<p>CONDITIONS: It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency (see condition chart above for contact). This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.</p>	
<p>APPROVALS: Making any changes to your proposal after a decision has been made may impact the validity of the Committee’s decision.</p> <p>An approval obtained from the Committee of Adjustment, where applicable, is tied to the building envelope shown on the plans and drawings submitted with the application and subject to the variance approval.</p> <p>A building envelope is defined by the setbacks of the buildings and/or structures shown on the plans and drawings submitted with the application, as required by Ontario Regulation 200/96. Future development outside of an approved building envelope, where a minor variance was obtained, must comply with the provisions of the City’s Zoning By-law.</p> <p>Elevation drawings are provided to reflect the style of roof (i.e. flat, mansard, gable etc.) to which a building height variance has been applied. Where a height variance is approved, building height is applied to the style of roof (as defined in the City’s Zoning By-law) shown on the elevation plans submitted with the application.</p> <p>Architectural design features that are not regulated by the City’s Zoning By-law are not to be considered part of an approval unless specified in the Committee’s decision.</p>	
<p>DEVELOPMENT CHARGES: That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.</p> <p>That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City’s Development Charges By-law in effect at the time of payment.</p> <p>That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment</p> <p>That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City’s Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.</p>	

IMPORTANT INFORMATION – PLEASE READ

NOTICE OF DECISION: If you wish to be notified of the decision in respect to this application or a related Ontario Land Tribunal (OLT) hearing you must complete a Request for Decision form and submit to the Secretary Treasurer (ask staff for details). To: Christine Vigneault, Committee of Adjustment Secretary Treasurer
From: Nancy Tuckett, Director of Development Planning
Date: February 15, 2023
Name of Owner: Centra (BT1) Inc.
Location: 50 Deanna Court
File No.(s): A330/22

Proposed Variance(s) (By-law 1-88):

1. To permit a minimum rear yard of 6.04 m to the covered porch.

By-Law Requirement(s) (By-law 1-88):

1. A minimum rear yard of 7.5 m is required to the covered porch.

Official Plan:

City of Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

Comments:

The Owner is requesting relief to permit the construction of a covered porch in the rear yard, with the above noted variance.

The Development Planning Department has no objection to the requested variance for the covered porch as the structure has no walls, is a single storey, and as a result is not anticipated to have adverse impacts to the neighbouring properties. The porch does not take up the full length of the rear wall of the dwelling and projects less than halfway into the rear yard, leaving sufficient area for landscaped amenity and outdoor recreational space while providing adequate setback to the abutting rear yard to the east.

Accordingly, the Development Planning Department can support the requested variance and is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

Recommendation:

The Development Planning Department recommends approval of the application.

Conditions of Approval:

If the Committee finds merit in the application, the following conditions of approval are recommended:

None

- We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.

RE: 50 Deana Court (LOT 8 – Registered Plan M-1540)

Dear Ms. Vigneault,

I am the authorized agent for the above-noted address.

The subject property is located at the northeast corner of Millwood Parkway and Deanna Court.

Please note that the City of Vaughan has already released building permits (22-136556) for the house, which includes the uncovered porch.

As such, we are only seeking relief from the City of Vaughan's zoning by-law to permit a minimum rear yard setback of 6.04 metres to a covered porch where the bylaw requires a minimum setback of 7.5 metres.

Thank you.
