**Subject:** [External] FW: Meeting Notice for Riocan on January 17, 2023

In accordance with the upcoming positive for Covid on the weekend and will be unable to attend the meeting:

I would like my concerns read at the meeting

Woodbridge has always been a work/play/shop community. These condos will only bring congestion to our roads and take away all the shops and entertainment in the area. It will no longer be a walking community and the traffic at Weston and 7 is a disaster now, what will it be like with another 3000 people?

Also with all the youth crime I don't think that it is smart to take away the movie theater and the putting edge. Where are our kids suppose to go???? The streets to cause trouble? There is not other movie theater in the Woodbridge area, the children will have to go to Brampton or Richmond Hill. I can guarantee that the youth crime will go up. How fair is that? Woodbridge has no outlet for them, and the only place we have is being taken away and probably adding more youth with nothing to do.

I am sure that the development will proceed as hands have been greased and the little guy doesn't have any say, this meeting is just a formality. I just wanted to put in my thoughts
