

Communication : C 2
Committee of the Whole (1)
January 17, 2023
Agenda Item # 11

DATE: January 11, 2023

TO: Mayor and Members of Council

FROM: Vince Musacchio, Deputy City Manager, Infrastructure Development
Jack Graziosi, Director, Infrastructure Delivery

RE: **COMMUNICATION – Committee of the Whole (1) January 17, 2023**
Item No. 11
Parking Spaces in Kleinburg Village (Deferred)

Recommendation

THAT consideration of this matter to be deferred to a future Committee of the Whole meeting.

Background

At the meeting held on December 12, 2022, Committee of the Whole (2), Report No. 46, Item No. 4 - Parking Spaces in Kleinburg Village, Committee recommended:

- 1. That consideration of this matter be deferred to the Committee of the Whole meeting of January 17, 2023, for staff to meet with the Local Councillor, area residents and Kleinburg BIA.*

A meeting was held on December 21, 2022, at the Pierre Burton Heritage Center to review the 60% detailed design drawings for parking spaces in Kleinburg Village. In attendance were City staff, a representative from the Local Councillors' office, area residents, and the Kleinburg Business Improvement Association (KBIA). A representative from the Kleinburg Area Resident Association was in attendance, as an observer.

The meeting focused on identifying potential opportunities for additional layby parking within both the Kleinburg Village and the surrounding project area. Discussions were very productive and resulted in a number of locations where layby parking can be considered.

Based on the number of potential layby parking locations identified, the design consultant will require additional time to complete a detailed analysis and technical review. The results of the analysis will be shared with the participants from the December 21 meeting.

Once the parking design has been updated, a Communication will be brought forward to a future Committee of the Whole meeting.
