

Attachment 1: Metrolinx Queen Street-Highway 7 Bus Rapid Transit Project

Segment 6: Kipling Avenue to Wigwoss Drive

Focus Area H: Humber River Bridge / CP Rail Overpass Bridge

Existing Conditions – Kipling Ave to Wigwoss Dr

- 1.5 km of Queen Street
- 4-5 lane cross-section
 - 2 general-purpose lanes in each direction
 - 1 shared centre-turning lane for both directions of traffic
- Mix of back lot frontages and smaller retail – many smaller properties
- Significant constraints at Humber bridge and CP Rail underpass / trench
- Multi-use path for pedestrians, cyclists on the north side
- Transition to VIVA western terminus at Wigwoss
