To Whom It May Concern,

I am a resident of Vaughan and am writing to express my strong opposition to Application # OP.22.022 and Z.22.043 submitted to The City of Vaughan Council/Committee for re-zoning and re-amendment of the property at 87 Keatley Drive.

I and more than 1,300 local community members have come together to petition against this application. We implore you to visit this link and read the comments put forward, www.change.org/preserveupperthornhillestates.

The proposed 15-storey high rise condo development that is being considered for construction is not compatible with the detached family homes in our low-rise, low-density neighbourhood. As a resident of this community, I am deeply concerned about the impact this development will have on the character and quality of life of our neighbourhood.

I appreciate the city of Vaughan's review process and look forward to a decision to oppose this zoning change...
