PUBLIC & APPLICANT CORRESPONDENCE

*Please see **Schedule C** of this report for a copy of the public & applicant correspondence listed below.

The deadline to submit public comments is **noon on the last business day prior to the scheduled hearing date.**

Comments and written public submissions received after the publication of this Staff Report will be processed as an addendum and posted on the City's Website.

All personal information collected because of this public meeting (including both written and oral submissions) is collected under the authority of the Municipal Act, the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), the Planning Act and all other relevant legislation, and will be used to assist in deciding on this matter. All personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will become property of the City of Vaughan, will be made available for public disclosure (including being posted on the internet) and will be used to assist the Committee of Adjustment and staff to process this application.

**COMMITTEE OF ADJUSTMENT REPORT
MINOR VARIANCE APPLICATION
A081/23
148 VIA TEODORO, WOODBRIDGE**

ITEM NUMBER: 6.12	CITY WARD #: 3
APPLICANT:	Anna-Marie Colosimo & Nicholas Carchidi
AGENT:	Array International Architects Inc.
PROPERTY:	148 Via Teodoro, Woodbridge
ZONING DESIGNATION:	See Below
VAUGHAN OFFICIAL PLAN (2010) DESIGNATION:	Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"
RELATED DEVELOPMENT APPLICATIONS:	None
PURPOSE OF APPLICATION:	Relief from the Zoning By-law is being requested to permit a proposed cabana and pool.

The following variances have been requested from the City's Zoning By-law:

The subject lands are zoned R3(EN) and subject to the provisions of exception 14.919 under Zoning By-law 001-2021, as amended.

#	Zoning By-law 001-2021	Variance requested
1	A minimum rear yard setback of 2.4 metres to the proposed Residential Accessory Structure (Cabana) is required.	To permit a minimum rear yard setback of 0.5 metres to the proposed Residential Accessory Structure (Cabana).
2	A minimum interior side yard setback of 2.4 metres to the proposed Residential Accessory Structure (Cabana) is required.	To permit a minimum interior side yard setback of 0.5 metres to the proposed Residential Accessory Structure (Cabana).
3	A minimum distance of 0.6 metres shall be required from any permitted encroachment to the nearest lot line [Section 4.13]	To permit a minimum distance of 0.4 0.26 metres from the residential accessory structure eaves to the interior side lot line. <i>*Revised using Zoning Review Waiver</i>
4	A minimum distance of 0.6 metres shall be required from any permitted encroachment to the nearest lot line [Section 4.13]	To permit a minimum distance of 0.4 0.25 metres from the residential accessory structure eaves to the rear lot line. <i>*Revised using Zoning Review Waiver</i>
5	A minimum rear yard setback of 1.5 metres to the proposed pool is required [Section 4.21].	To permit a minimum rear yard setback of 0.9 metres to the proposed pool.
6	A minimum interior side yard setback of 1.5 metres to the proposed pool is required [Section 4.21].	To permit a minimum interior side yard setback of 1.0 metres to the proposed pool.
7	The maximum height of a residential accessory structure (Cabana) shall be 3.0 metres [Section 4.1.5].	To permit the maximum height of 3.68 3.17 metres for a residential accessory structure (Cabana). <i>*Revised using Zoning Review Waiver</i>

HEARING INFORMATION

DATE OF MEETING: Thursday, July 13, 2023
TIME: 6:00 p.m.
MEETING LOCATION: Vaughan City Hall, Woodbridge Room (2nd Floor), 2141 Major Mackenzie Drive
LIVE STREAM LINK: Vaughan.ca/LiveCouncil

PUBLIC PARTICIPATION

If you would like to speak to the Committee of Adjustment at the meeting, either remotely or in person, please complete the [Request to Speak Form](#) and submit to cofa@vaughan.ca

If you would like to submit written comments, please quote file number above and submit by mail or email to:

Email: cofa@vaughan.ca

HEARING INFORMATION

Mail: City of Vaughan, Office of the City Clerk, Committee of Adjustment, 2141 Major Mackenzie Drive, Vaughan, ON, L6A 1T1

To speak electronically, pre-registration is required by completing the [Request to Speak Form](#) on-line and submitting it to cofa@vaughan.ca no later than NOON on the last business day before the meeting.

THE DEADLINE TO REGISTER TO SPEAK ELECTRONICALLY OR SUBMIT WRITTEN COMMENTS ON THE ABOVE NOTED FILE(S) IS NOON ON THE LAST BUSINESS DAY BEFORE THE MEETING.

INTRODUCTION

Staff and Agencies act as advisory bodies to the Committee of Adjustment. The comments contained in this report are presented as recommendations to the Committee.

Section 45(1) of the Planning Act sets the criteria for authorizing minor variances to the City of Vaughan's Zoning By-law. Accordingly, review of the application may consider the following:

- That the general intent and purpose of the by-law will be maintained.
- That the general intent and purpose of the official plan will be maintained.
- That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- That the requested variance(s) is/are minor in nature.

Public written and oral submissions relating to this application are taken into consideration by the Committee of Adjustment as part of its deliberations and final decision on this matter.

COMMITTEE OF ADJUSTMENT COMMENTS

Date Public Notice Mailed:	June 30, 2023
Date Applicant Confirmed Posting of Sign:	June 26, 2023
Applicant Justification for Variances: <small>*As provided by Applicant in Application Form</small>	Site is small and construction was already completed by owner according to best site configuration.
Adjournment Requests (from staff): <small>*Adjournment requests provided to applicant prior to issuance of public notice</small>	<p>On June 29, 2023, Development Planning provided:</p> <p>We have now completed the site visit and have the following comments on behalf of Development Planning. We are concerned with the level of massing that the cabana is presenting to the neighbouring properties. We believe that both the increased height and the reduced interior and rear yard setbacks are creating an adverse impact to the surrounding properties. Our Urban Design division has also provided comments speaking to similar concerns, requesting various changes to the cabana and the layout of the rear yard. However, recognizing that everything on site is existing, we can scope down our comments to a recommendation that we believe would have the most benefit in mitigating the impact of the cabana. We recommend replacing the roof of the cabana in order to reduce both the height and to cut back on the encroachment of the eaves. An approximate reduction of 0.3 m is recommended if possible. Replacing the high slanted roof with a thinner roof with minimal overhangs would help mitigate the height of the cabana.</p> <p>The provided site plan also appears to be inaccurate. As per the photo attached, the steps to the raised patio are in the side yard and not off to the side as shown on the site plan. The planter shown on the site plan also does not appear to be present. Please provide a revised site plan that accurately shows the layout of the rear yard.</p> <p>Given the above comments, we are requesting an adjournment to provide additional time to work on the Application. If you wish to proceed with the Application as shown, Development Planning will not be in a position to provide a recommendation of support. The updated Site Plan is required regardless on if changes are made to the cabana or not, as a plan that accurately shows the site will be needed for the Committee to review.</p>

COMMITTEE OF ADJUSTMENT COMMENTS

	<p>Applicant provided Zoning Review Waiver on June 30, 2023 to continue with a revised submission.</p> <p>On June 30, 2023, Zoning confirmed required variances, indicating that the height of the cabana was 3.42 metres (not 3.17 metres as provided in the Zoning Review Waiver).</p> <p>On June 30, 2023, the applicant was advised that the variance for height could not be increased to 3.42 metres and that adjournment of the application was required to accommodate statutory public notice.</p>	
<p>Was a Zoning Review Waiver (ZRW) Form submitted by Applicant:</p> <p>*ZRW Form may be used by applicant in instances where a revised submission is made, and zoning staff do not have an opportunity to review and confirm variances prior to the issuance of public notice.</p> <p>*A revised submission may be required to address staff / agency comments received as part of the application review process.</p> <p>*Where a zoning review has not been completed on a revised submission, an opportunity is provided to the applicant to adjourn the proposal prior to the issuance of public notice.</p>	<p>Yes</p>	
<p>Adjournment Fees: In accordance with Procedural By-law 069-2019, an Adjournment Fee is applicable to reschedule an application after the issuance of public notice where a request for adjournment has been provided to the applicant prior to the issuance of public notice.</p> <p>An Adjournment Fee can only be waived in instances where adjournment of an application is requested by the Committee or staff after the issuance of public notice.</p>		
<p>Committee of Adjustment Comments:</p>	<p>Staff are recommending adjournment of the application to accommodate statutory public notice (height variance increased based on zoning comments after the issuance of public notice).</p>	
<p>Committee of Adjustment Recommended Conditions of Approval:</p>	<p>An Adjournment Fee (\$591.00) is required to reschedule the application.</p>	

BUILDING STANDARDS (ZONING) COMMENTS

<p>**See Schedule B for Building Standards (Zoning) Comments</p>	
<p>Building Standards Recommended Conditions of Approval:</p>	<p>None</p>

DEVELOPMENT PLANNING COMMENTS

<p>**See Schedule B for Development Planning Comments.</p>	
<p>Development Planning Recommended Conditions of Approval:</p>	<p>None</p>

DEVELOPMENT ENGINEERING COMMENTS

<p> Link to Grading Permit Link to Pool Permit Link to Curb Curt Permit Link Culvert Installation </p>	
<p>The Owner/Applicant shall apply for a 'Pool Grading Permit' with the Development Engineering (DE) Department. Please visit the grading permits page at City of Vaughan website to learn how to apply for the Pool Permit. If you have any question about Pool Grading Permit, please contact the Development Engineering Department through email at DEPermits@vaughan.ca.</p> <p>The proposed work by the Owner / Applicant is increasing the lot coverage on the subject property. The added hardscape may have impacts on the City's Storm Water management system. Development Engineering strongly encourages the Owner / Applicant introduce Low-Impact Development (LID) measures (e.g., bioswales, permeable pavers, rain gardens, rain barrels etc.) to reduce the impacts to the stormwater system. Should further information be required, please contact the Development Engineering COA reviewer.</p> <p>The Development Engineering Department does not object to the Minor Variance application A081/23, subject to the following condition(s):</p>	
<p>Development Engineering Recommended Conditions of Approval:</p>	<p>None</p>

SCHEDULES TO STAFF REPORT

*See Schedule for list of correspondence

Schedule A	Drawings & Plans Submitted with the Application
Schedule B	Staff & Agency Comments
Schedule C (if required)	Correspondence (Received from Public & Applicant)
Schedule D (if required)	Previous COA Decisions on the Subject Land

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application, as required by Ontario Regulation 200/96, the following conditions have been recommended:

SUMMARY OF RECOMMENDED CONDITIONS OF APPROVAL

All conditions of approval, unless otherwise stated, are considered to be incorporated into the approval “if required”. If a condition is no longer required after an approval is final and binding, the condition may be waived by the respective department or agency requesting conditional approval. A condition cannot be waived without written consent from the respective department or agency.

#	DEPARTMENT / AGENCY	CONDITION(S) DESCRIPTION
1	Committee of Adjustment christine.vigneault@vaughan.ca	An Adjournment Fee (\$591.00) is required to reschedule the application (from July 13, 2023 hearing).
2	Development Planning Joshua.cipolletta@vaughan.ca	TBD

IMPORTANT INFORMATION – PLEASE READ

CONDITIONS: It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency (**see condition chart above for contact**). This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

IMPORTANT INFORMATION – PLEASE READ

APPROVALS: Making any changes to your proposal after a decision has been made may impact the validity of the Committee's decision.

An approval obtained from the Committee of Adjustment, where applicable, is tied to the building envelope shown on the plans and drawings submitted with the application and subject to the variance approval.

A building envelope is defined by the setbacks of the buildings and/or structures shown on the plans and drawings submitted with the application, as required by Ontario Regulation 200/96. Future development outside of an approved building envelope, where a minor variance was obtained, must comply with the provisions of the City's Zoning By-law.

Elevation drawings are provided to reflect the style of roof (i.e. flat, mansard, gable etc.) to which a building height variance has been applied. Where a height variance is approved, building height is applied to the style of roof (as defined in the City's Zoning By-law) shown on the elevation plans submitted with the application.

Architectural design features that are not regulated by the City's Zoning By-law are not to be considered part of an approval unless specified in the Committee's decision.

DEVELOPMENT CHARGES: That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

NOTICE OF DECISION: If you wish to be notified of the decision in respect to this application or a related Ontario Land Tribunal (OLT) hearing you must complete a Request for Decision form and submit to the Secretary Treasurer (ask staff for details). In the absence of a written request to be notified of the Committee's decision you will **not** receive notice.

COMMENTS:

- We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.

Hi Christine,

The Regional Municipality of York has completed its review of the minor variance application – A081/23 and has no comment.

Many thanks,

Our working hours may be different. Please do not feel obligated to reply outside of your scheduled working hours. Let's work together to help foster healthy work-life boundaries.

Niranjan Rajevan, M.Pl. | Associate Planner, Development Services, Planning and Economic Development, Corporate Services
