To: Christine Vigneault, Committee of Adjustment Secretary Treasurer
From: Nancy Tuckett, Director of Development Planning
Date: July 5, 2023
Name of Owner: Roybridge Holdings Limited C/O Zzen Group of Companies
Location: 6100 - 6260 Highway 7
File No.(s): B009/23, B010/23 & A085/23

Proposal: The Owner has applied for two consent applications for the purposes of a 'partial discharge of a mortgage' and a 'new mortgage charge' on the Subject Lands along with a minor variance application. For the purposes of zoning conformity, the Subject Lands, via minor variance, shall be deemed one lot notwithstanding the consents granted.

A minor variance and two consent applications were originally submitted and received approval in 2019 as files A075/19, B006/19, and B007/19 to facilitate the same purpose. However, the consent applications did not receive final certification and the approvals lapsed.

B009/23

The Owner has submitted Consent Application file B009/23 to permit a partial discharge of a mortgage for the lands municipally known as 6200, 6220, and 6230 Highway 7 and legally described as Parts 1, 2, and 3 on Reference Plan 65R-38643.

B010/23

The Owner has submitted Consent Application file B010/23 to permit a new mortgage charge to apply for the lands municipally known as 6200, 6220, and 6230 Highway 7 and legally described as Parts 1, 2, and 3 on Reference Plan 65R-38643.

A085/23

Proposed Variance(s) (By-law 001-2021):

1. To permit lands legally described as "All of Blocks 44, 45 and 46, and Parts of Blocks 38, 39, 42 and 43, Plan 65M-3627, and Part of Lot 6, Concession 9 (Geographic Township of Vaughan) in the City of Vaughan, Regional Municipality of York" be considered one lot for the purposes of Zoning By-law compliance.

By-Law Requirement(s) (By-law 001-2021):

1. The definition of a "LOT" shall be complied with.

Proposed Variance(s) (By-law 1-88):

2. To permit lands legally described as "All of Blocks 44, 45 and 46, and Parts of Blocks 38, 39, 42 and 43, Plan 65M-3627, and Part of Lot 6, Concession 9 (Geographic Township of Vaughan) in the City of Vaughan, Regional Municipality of York" be considered one lot for the purposes of Zoning By-law compliance.

By-Law Requirement(s) (By-law 1-88):

2. The definition of a "LOT" shall be complied with.

Official Plan:

City of Vaughan Official Plan 2010 ('VOP 2010'): "Employment Commercial Mixed-Use", "Prestige Employment" and "General Employment"

Comments:

The Owner is requesting relief to permit the Subject Lands to be deemed as one "lot" to facilitate consent applications B009/23 and B010/23.

The subject lands contain a variety of commercial and employment uses, including an event space, hotels and eating establishments and have been reviewed and developed as a master planned site. The proposed definition of a “lot” would have the effect of treating the Subject Lands as one parcel for the purposes of zoning by-law compliance. Final approval for the consent applications will be issued in the form of an unstipulated consent, which does not require subsequent Planning Act consent for future conveyances (similar to a new lot severance). To accommodate the consent applications and mitigate potential issues in the future, varying the definition of a “lot” is appropriate given the historical context of the development and represents good planning.

As a condition of the consent applications, the Development Planning Department recommends the registration of a Section 118 Restriction under the *Land Titles Act* on the above noted lands to restrict any future conveyances or transfers. The restriction requires permission first be obtained from the City in order to proceed with the transaction. As such, the Development Planning Department has no concerns with the proposed consents as they are for mortgage purposes only and the restriction will ensure any future transaction remains for that purpose.

Accordingly, the Development Planning Department has no objection to the requested consent applications and is of the opinion that the proposal maintains the intent of VOP 2010 and the consent criteria stipulated in Section 51(24) of the Planning Act, R.S.O. 1990, c. P.13.

The Development Planning Department is also of the opinion that the requested variances for the proposal are minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-laws, and is desirable for the appropriate development of the lands.

Recommendation:

The Development Planning Department recommends approval of the applications, subject to the following conditions:

Conditions of Provisional Consent/Approval:

If the Committee finds merit in the applications, the following conditions are recommended:

A085/23

B009/23
