INTRODUCTION
Staff and Agencies act as advisory bodies to the Committee of Adjustment. The comments contained in this report are presented as recommendations to the Committee.
Section 45(1) of the Planning Act sets the criteria for authorizing minor variances to the City of Vaughan’s Zoning By-law. Accordingly, review of the application may consider the following:
That the general intent and purpose of the by-law will be maintained. That the general intent and purpose of the official plan will be maintained. That the requested variance(s) is/are acceptable for the appropriate development of the subject lands. That the requested variance(s) is/are minor in nature.
Public written and oral submissions relating to this application are taken into consideration by the Committee of Adjustment as part of its deliberations and final decision on this matter.

COMMITTEE OF ADJUSTMENT COMMENTS	
Date Public Notice Mailed:	March 31, 2022
Date Applicant Confirmed Posting of Sign:	March 28, 2022
Applicant Justification for Variances: <small>*As provided by Applicant in Application Form</small>	Based on the size of the backyard, the interior design spaces of the existing cabanas need to be redesigned to be in proportion with the exterior spaces. This design program doesn't allow design to conform to the Zoning By-law requirements.
Adjournment Requests (from staff): <small>*Adjournment requests provided to applicant prior to issuance of public notice</small>	None
Was a Zoning Review Waiver (ZRW) Form submitted by Applicant: <small>*ZRW Form may be used by applicant in instances where a revised submission is made, and zoning staff do not have an opportunity to review and confirm variances prior to the issuance of public notice.</small> <small>*A revised submission may be required to address staff / agency comments received as part of the application review process.</small> <small>*Where a zoning review has not been completed on a revised submission, an opportunity is provided to the applicant to adjourn the proposal prior to the issuance of public notice.</small>	No
Adjournment Fees: In accordance with Procedural By-law 069-2019, an Adjournment Fee is applicable to reschedule an application after the issuance of public notice where a request for adjournment has been provided to the applicant prior to the issuance of public notice. An Adjournment Fee can only be waived in instances where adjournment of an application is requested by the Committee or staff after the issuance of public notice.	
Committee of Adjustment Comments:	None
Committee of Adjustment Recommended Conditions of Approval:	None

Schedule C (if required)	Correspondence (Received from Public & Applicant)
Schedule D (if required)	Previous COA Decisions on the Subject Land

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application, as required by Ontario Regulation 200/96, the following conditions have been recommended:

SUMMARY OF RECOMMENDED CONDITIONS OF APPROVAL		
All conditions of approval, unless otherwise stated, are considered to be incorporated into the approval “if required”. If a condition is no longer required after an approval is final and binding, the condition may be waived by the respective department or agency requesting conditional approval. A condition cannot be waived without written consent from the respective department or agency.		
#	DEPARTMENT / AGENCY	CONDITION(S) DESCRIPTION
1	Development Engineering farzana.khan@vaughan.ca	The Owner/applicant shall submit the revised Lot Grading and/or Servicing Plan to the Development Inspection and Lot Grading division of the City’s Development Engineering Department for final lot grading and/or servicing approval prior to any work being undertaken on the property. Please visit or contact the Development Engineering Department through email at DEPermits@vaughan.ca or visit https://www.vaughan.ca/services/residential/dev_eng/permits/Pages/default.aspx to learn how to apply for lot grading and/or servicing approval.
2	Parks, Forestry and Horticulture Operations zachary.guizzetti@vaughan.ca	Applicant/owner shall obtain a “Private Property Tree Removal & Protection” permit through the forestry division prior to any construction works on the subject property.

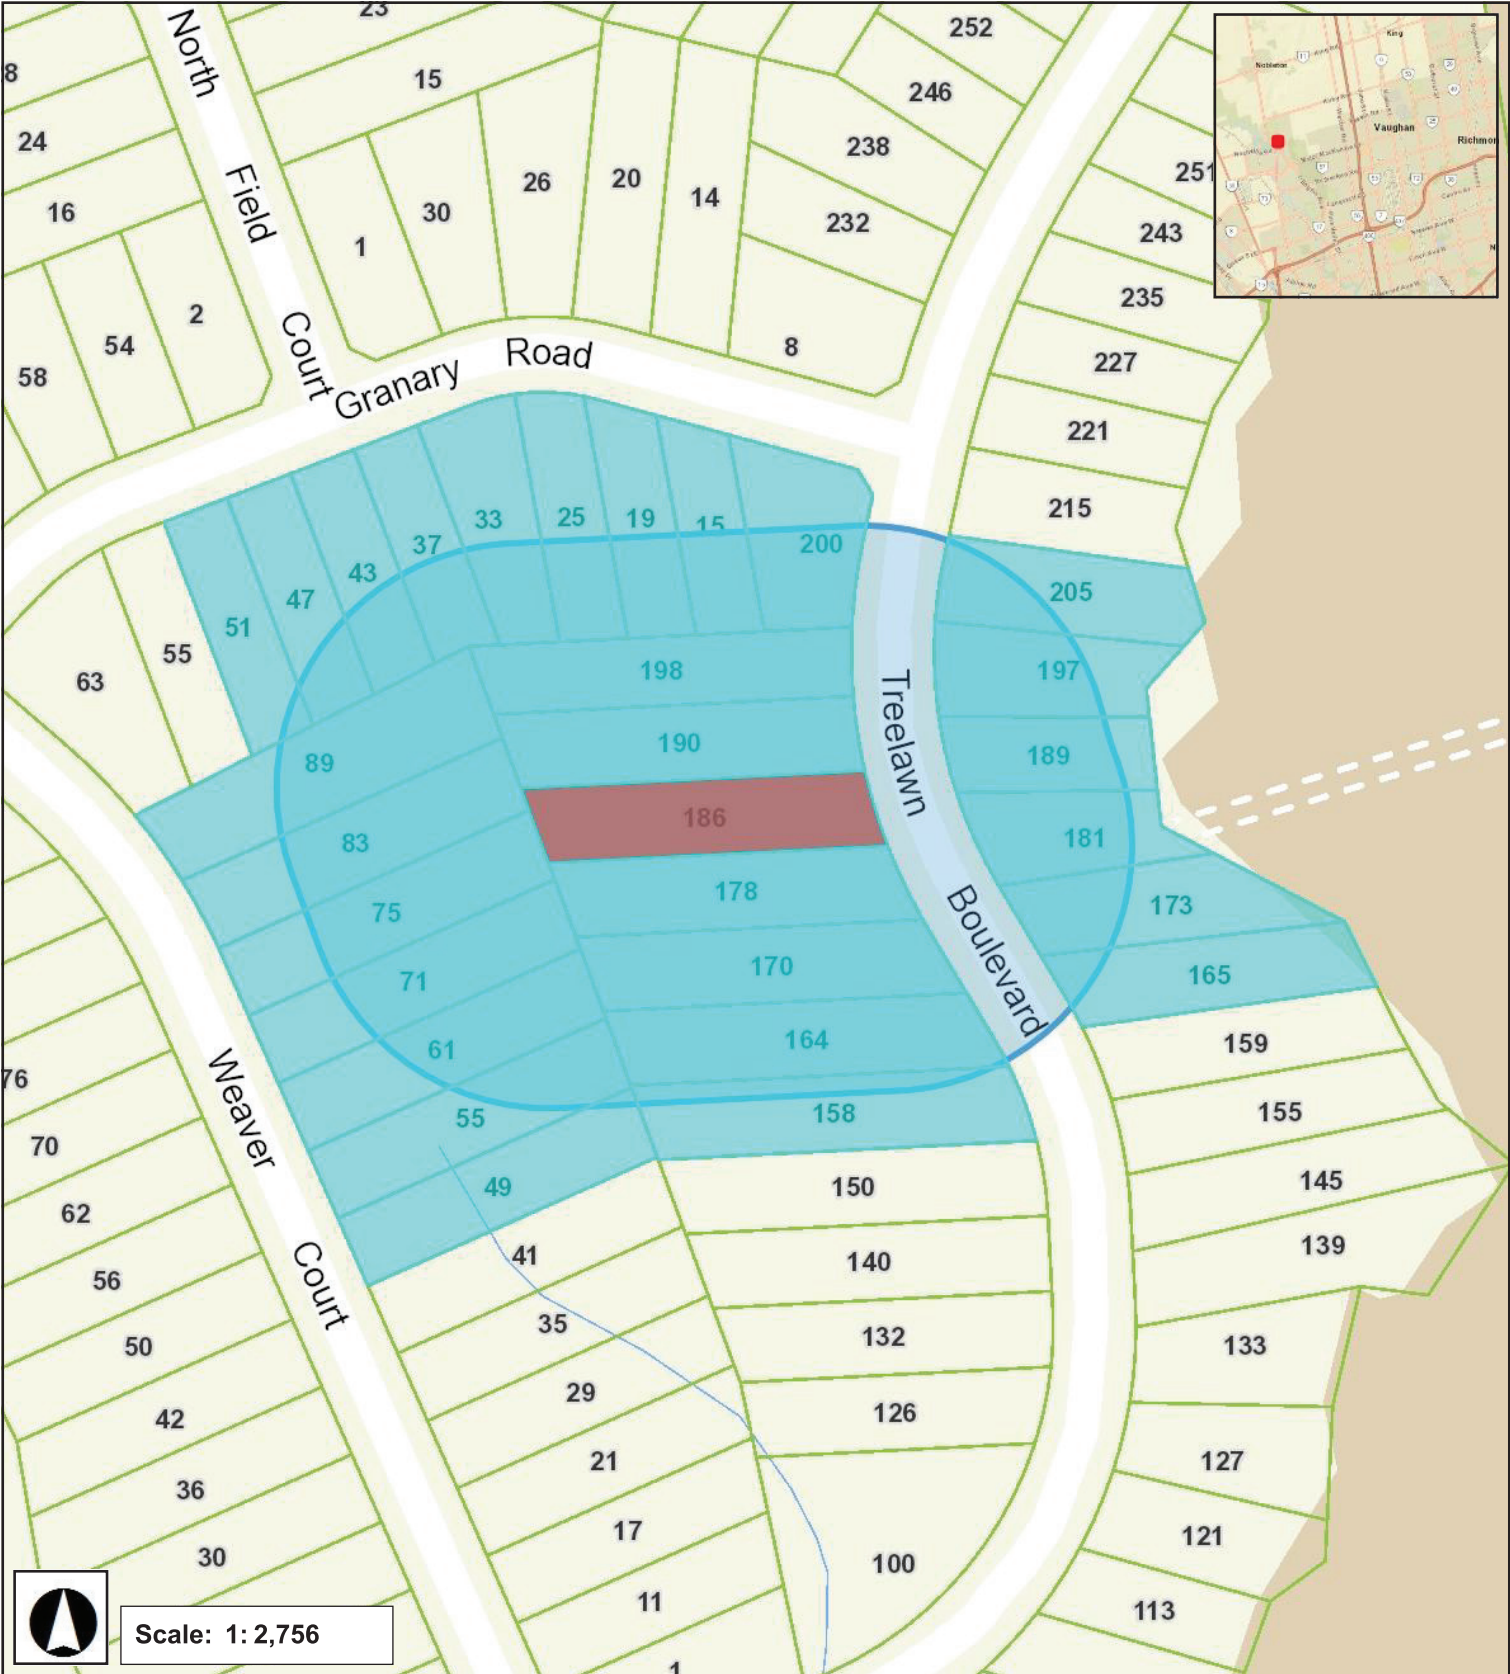

IMPORTANT INFORMATION – PLEASE READ
CONDITIONS: It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency (see condition chart above for contact). This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.
APPROVALS: Making any changes to your proposal after a decision has been made may impact the validity of the Committee’s decision. An approval obtained from the Committee of Adjustment, where applicable, is tied to the building envelope shown on the plans and drawings submitted with the application and subject to the variance approval. A building envelope is defined by the setbacks of the buildings and/or structures shown on the plans and drawings submitted with the application, as required by Ontario Regulation 200/96. Future development outside of an approved building envelope, where a minor variance was obtained, must comply with the provisions of the City’s Zoning By-law. Elevation drawings are provided to reflect the style of roof (i.e. flat, mansard, gable etc.) to which a building height variance has been applied. Where a height variance is approved, building height is applied to the style of roof (as defined in the City’s Zoning By-law) shown on the elevation plans submitted with the application. Architectural design features that are not regulated by the City’s Zoning By-law are not to be considered part of an approval unless specified in the Committee’s decision.
DEVELOPMENT CHARGES: That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment. That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment. That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.
NOTICE OF DECISION: If you wish to be notified of the decision in respect to this application or a related Ontario Land Tribunal (OLT) hearing you must complete a Request for Decision form and submit to the Secretary Treasurer (ask staff for details). In the absence of a written request to be notified of the Committee’s decision you will not receive notice.

| <input type="checkbox"/> | We have reviewed the proposed Variance Application and have the following concerns (attached below). |

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.

TRCA wishes to confirm that it has **no interests or concerns with the above noted application.**

Based on a review of our available mapping, the subject property is not within TRCA's Regulated Area. As such, a permit from TRCA pursuant to Ontario Regulation 166/06 would not be required for any development or site alteration on the property.

Although the site is located within the Well Head Protection Area for Quantity control (WHPA-Q2) per the Source Protection Plan, no water balance would be required recognizing this requirement would have been addressed through the subdivision approvals process.

Should further clarification be required, please contact the undersigned at your convenience.

Proposed Variance(s) (By-law 001-2021):

1. To permit a residential accessory structure (Cabana) with a lot coverage of 111.10 m².
2. To permit a residential accessory structure (Cabana) with a height greater than 2.8m located at a distance of 1.0 m from north lot line.
3. To permit a 5.0 m high residential accessory structure.

By-Law Requirement(s) (By-law 001-2021):

1. In any Residential Zone, the maximum lot coverage of all accessory buildings and residential accessory structures excluding an accessory detached garage shall be 10% or 67.0 m², whichever is less.
2. A residential accessory structure with a height greater than 2.8 m shall not be located closer than 2.4 m to any lot line.
3. In any Residential Zone, the maximum height of an accessory building and residential accessory structure shall be 3.0 m.

Proposed Variance(s) (By-law 1-88):

4. To permit a residential accessory building (Cabana) with a lot coverage of 90.46 m².
5. To permit a residential accessory building (Cabana) of 5.0 m from the average finished ground floor to its highest point.
6. To permit an accessory building (Cabana) located at a distance of 1.0 m from north lot line.

By-Law Requirement(s) (By-law 1-88):

4. The percentage of the lot area covered by all accessory buildings shall not exceed ten percent (10%) or 67 m², whichever is the lesser.
5. The maximum height of any accessory building or structure measured from the average finished ground level to the highest point of the said building or structure shall be 4.5 m.
6. Any accessory building or structure shall be located in the rear yard and subject to the required setbacks of the main dwelling unit on the lot. The required interior side yard setback of the main dwelling is 1.2 m.

Official Plan:

City of Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

Comments:

The Owners are requesting to construct a cabana in the rear yard with the above noted variances. The proposed cabana will maintain the foundation and exterior walls from the existing two cabanas with pergola.

The Development Planning Department has no objection to Variances 1, 3, 4 and 5, as the lot coverage and height will not pose a significant visual impact to the adjacent properties and is consistent with previous approvals in the neighbourhood.

The Development Planning Department has no objection to Variances 2 and 6, as the proposed north side yard setback of 1.0 m maintains an appropriate area for access and drainage. The proposed north side yard setback is also maintained from the existing cabana on the property.

Accordingly, the Development Planning Department can support the required variances and is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

Recommendation:

The Development Planning Department recommends approval of the application.

Conditions of Approval:

If the Committee finds merit in the application, the following conditions of approval are recommended:

None
