

Presentation to City of Vaughan  
Council – May 7, 2019

**WE GROW GLOBALLY  
COMPETITIVE TECH TITANS THAT  
BUILD-TO-SCALE IN CANADA.**

The background image shows a bright, modern office space. Large, leafy trees are planted in the room, and strings of warm-toned Edison-style light bulbs are draped across them. In the foreground, two people are seated at a white desk, working on laptops. To the left, a wall is covered with various colorful posters and notices. In the background, a man in a maroon sweater is walking towards a glass door labeled 'EXIT'. The floor is a polished, reflective grey.

## OUR PURPOSE

**ventureLAB will establish the region as a  
Destination of Choice for technology firms to  
create globally competitive companies, building  
and scaling in Canada.**

# ONTARIO'S TECH CORRIDOR
