TITLE: PASSOVER WASTE DEPOT

FROM:

Councillor Gila Martow

Whereas, the City of Vaughan has provided a special Passover waste and recycling depot at the Garnet A. Williams Community Centre; and

Whereas, this city-wide service is of special significance and importance to the Jewish community to help dispense of the waste generated in preparation for Passover; and

Whereas, Vaughan's total Jewish and Israeli population constitutes 23 per cent of the entire Jewish and Israeli people in the Toronto Census Metropolitan Area; and

Whereas, Vaughan is home to an active, engaged, thoughtful and dedicated Jewish and Israeli community committed to fostering inclusive, tolerant and welcoming neighbourhoods for all people; and

Whereas, the City of Vaughan officially recognizes Jewish Heritage Month and holds an annual flag-raising ceremony for Yom Ha'atzmaut, Israel Independence Day. Celebrations like the City's annual menorah lighting ceremonies to mark Chanukah have become much-anticipated traditions enjoyed by people of all backgrounds and faiths; and

Whereas, as part of maintaining and fostering stronger relations between Vaughan and the State of Israel, during a 2019 City of Vaughan led business mission to Israel, Vaughan renewed an economic and cultural partnership with the City of Ramla, Israel, first signed in 1993.

It is therefore recommended:

1. That City of Vaughan staff continues its city-wide service of providing a special Passover waste and recycling depot at the Garnet A. Williams Community Centre, and/or another appropriate City location, for Passover 2024, and that this service is offered each year in alignment with future Passover dates.

Financial and Staff Resource Impact

It is expected that the cost associated with the special Passover waste and recycling depot at the Garnet A. Williams Community Centre is \$40,000 annually.
