TITLE: LICENSE TO ALLOW PARKING OF PRIVATE SECURITY VEHICLE AT KLEINBURG OLD FIREHALL STATION 7-4

FROM:

Councillor Marilyn Iafrate

Whereas, the residents of the Kleinburg community located at Islington Ave and Treelawn Blvd has experienced an increase of crime within their neighborhood and have hired a private security firm to patrol their area on a daily basis over the next year;

Whereas, the City is not responsible for and is not in any way a party to or participating in the private security contract that has been arranged by the residents of the above referenced Kleinburg community;

Whereas, these residents have requested the City allow a marked security vehicle to park at the Kleinburg Old Firehall Station 7-4, near the entrance to the subdivision, under the street lamp and away from the Fire Hall Garage Doors and Front Entrance, generally in accordance with the location depicted in Attachment 1;

Whereas, Old Firehall Station 7-4 has been decommissioned and is not currently in use as a Firehall and staff have no concern with the proposed use, subject to the parties entering into an appropriate agreement for the use of the said parking spot;

It is therefore recommended:

1. That Council authorize the Deputy City Manager, Infrastructure Development to execute a license agreement with Ultimate Security Service to permit the use of one parking spot in the parking lot of the Kleinburg Old Firehall Station 7-4 for the

purpose of parking a marked security vehicle (the "License"), together with any amendments as may be necessary from time to time;

2. That the License be for nominal value for a period of 6 months and include such other terms and conditions as may be required to protect the City's interests, including insurance, indemnification, termination and a six month renewal option, as approved by the Deputy City Manager, Infrastructure Delivery and in a form approved by Legal Services.
