# Mandate

The City of Vaughan Transportation and Infrastructure Advisory Committee (“the Committee”) has an overall mandate to encourage community involvement and advise on:

- Transportation priorities outlined in the Transportation and Infrastructure Task Force Findings and Recommendations Report (April 2022), the Vaughan Transportation Plan, the MoveSmart Mobility Management Strategy, the Pedestrian and Bicycle Master Plan, other applicable transportation and infrastructure plans, and initiatives warranting additional consideration, as referred by Council.
- Identifications of new revenue sources to implement these priorities

# 1 - Brainstorming Discussion

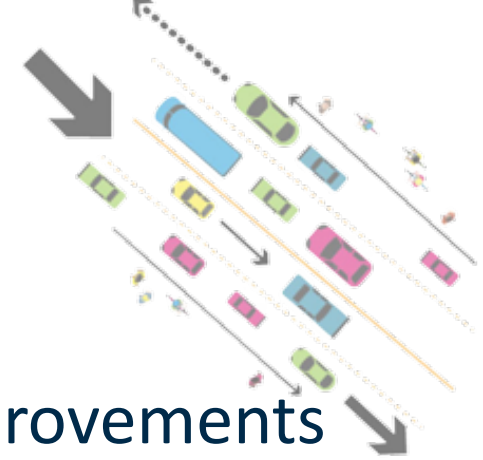

If you could make a few big changes in Vaughan, what would they be?

*Conversation starters...*

- *Improve active transportation network*
- *Fill in gaps in the street network*
- *Plan for emerging technologies*
- *Support clean and more efficient goods movement*
- *Plan for more resilient infrastructure*
- *Provide more equitable access to transportation options*

# 2 - Brainstorming Discussion

How do you want to see transportation and infrastructure improvements prioritized?

*Conversation starters...*

- *Ease of implementation – “quick wins”*
- *Focus on infrastructure*
- *Focus on the environment*
- *Focus on mobility*

# Next Steps and Actions

Committee to discuss next steps and identify actions
