Applicant: Hilton and Leanne Shapiro

Agent: None

Property: 14 Edmund Seager Drive, Thornhill

Zoning: The subject lands are zoned R3 - Residential Zone and subject to the provisions of Exception 9(485) under By-law 1-88 as amended.

OP Designation: Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

Related Files: None

Purpose: Relief from By-law 1-88, as amended, is being requested to permit the installation of a proposed pool in the rear yard.

The following variances are being requested from By-Law 1-88, as amended, to accommodate the above proposal:

By-law Requirement	Proposal
1. A private swimming pool shall be constructed not nearer to any rear or interior side lot line than 1.5 metres. [4.1.1 i)]	1. The private swimming pool is proposed be constructed with a setback of 1.1 metres from the rear lot line.
2. A private swimming pool shall be constructed only in the rear yard. [4.1.1 i)]	2. The hot tub (a private swimming pool as defined) is proposed to be constructed not entirely in the rear yard.

Background (previous applications approved by the Committee on the subject land): None

For information on the previous approvals listed above please visit www.vaughan.ca. To search for a file number, enter it using quotes around it. For example, "A001/17".

Staff & Agency Comments

Please note that staff/agency comments received after the preparation of this Report will be provided as an addendum item to the Committee. Addendum items will shall only be received by the Secretary Treasurer until **noon** on the last business day **prior** to the day of the scheduled Meeting.

Public notice was mailed on October 13, 2021

Applicant confirmed posting of signage on October 15, 2021

Property Information	
Existing Structures	Year Constructed
Dwelling	1986
Pool	TBC

Applicant has advised that they cannot comply with By-law for the following reason(s):
Need swimming pool to be installed at 0.9 meters instead of 1.5 meters from rear (north) side of lot boundary.
Safety concerns regarding space between dwelling and proposed pool when walking downstairs toward pool.

Building Standards (Zoning Review):

Stop Work Order(s) and Order(s) to Comply: There are no outstanding Orders on file.

A Building Permit has not been issued. The Ontario Building Code requires a building permit for structures that exceed 10m².

The applicant shall be advised that additional variances may be required upon review of detailed drawing for building permit/site plan approval.

Please note that a retaining wall which exceeds one (1) metre in height must be set back from the nearest property line a distance equal to its height. [4.1.1 j)]

Building Inspections (Septic):

No comments or concerns

Development Planning:

Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

The Owner is requesting to construct a swimming pool and hot tub with the above noted variances. At the request of the Development Planning Department, the Owner has increased the rear yard setback from 0.91 m to 1.1 m in order to be consistent with variances previously supported by the Development Planning Department in the vicinity of the subject property and to provide adequate space to walk safely between the edge of the proposed pool and the rear fence. On this basis, the Development Planning Department has no objection to the proposed rear yard setback to the proposed pool. Additionally, the Development Engineering Department has reviewed the proposal with respect to water filtration/runoff and have identified no issues.

The Development Planning Department has no objection to the location of the hot tub as it is fully located behind the existing single-detached dwelling, but due to the projection of a portion of the dwelling into the rear yard, the proposed location of the hot tub is technically not defined as the rear yard by Zoning By-law 1-88, and therefore a variance is required. The proposed hot tub also maintains the side and rear yard setback requirements of Zoning By-law 1-88, which mitigates any impact on the abutting properties. The Development Planning Department is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

The Development Planning Department recommends approval of the application.

Development Engineering:

The Development Engineering (DE) Department does not object to variance application A209/21 subject to the following comments:

1. The Owner/applicant shall apply for a pool permit with the Development Engineering (DE) Department. Please visit or contact the Development Engineering Department through email at DEPermits@vaughan.ca or visit https://www.vaughan.ca/services/residential/dev_eng/permits/Pages/default.aspx to learn how to apply for the pool permit.

Staff Recommendations:

Staff and outside agencies (i.e. TRCA) act as advisory bodies to the Committee of Adjustment. Comments received are provided in the form of recommendations to assist the Committee.

The Planning Act sets the criteria for authorizing minor variances to the City of Vaughan's Zoning By-law. Accordingly, review of the application considers the following:

- ✓ That the general intent and purpose of the by-law will be maintained.
- ✓ That the general intent and purpose of the official plan will be maintained.
- ✓ That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- ✓ That the requested variance(s) is/are minor in nature.

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application as required by Ontario Regulation 200/96, the following conditions have been recommended: N/A

Conditions

It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency. This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

Please Note:

Relief granted from the City's Zoning By-law is determined to be the building envelope considered and approved by the Committee of Adjustment.

Development outside of the approved building envelope (subject to this application) must comply with the provisions of the City's Zoning By-law or additional variances may be required.

Elevation drawings are provided to reflect the style of roof to which building height has been applied (i.e. flat, mansard, gable etc.) as per By-law 1-88 and the Committee of Adjustment approval. Please note, that architectural design features (i.e. window placement), that do not impact the style of roof approved by the Committee, are not regulated by this decision.

Notice to the Applicant – Development Charges

That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

COMMENTS:

- ☐ We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- ☒ We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- ☐ We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.
