To: Christine Vigneault, Committee of Adjustment Secretary Treasurer

From: Nancy Tuckett, Director of Development Planning

Date: June 29, 2022

Name of Owner: Nashville Developments (South) Inc.

Location: Units 1-6, Block 7, 19T-19V0001

File No.(s): A141/22

Proposed Variance(s) (By-law 1-88):

1. To permit a minimum rear yard setback of 7.02 m.

By-Law Requirement(s) (By-law 1-88):

1. The minimum rear yard setback is 7.5 m.

Official Plan:

City of Vaughan Official Plan 2010 ('VOP 2010'): "Mid-Rise Mixed-Use"

Comments:

The Owner is requesting relief to permit the construction of a townhouse block with the above noted variance. The Owner has submitted Site Development Application DA.21.050 to facilitate the development, which is currently under review.

The Development Planning Department has no objection to the proposed variance as the reduced rear yard is minor in nature and complies with Zoning By-law 001-2021, which was enacted by Vaughan Council on October 20, 2021, but has been appealed to the Ontario Land Tribunal and is not in effect.

Accordingly, the Development Planning Department can support the requested variance and is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

Recommendation:

The Development Planning Department recommends approval of the application.

Conditions of Approval:

If the Committee finds merit in the application, the following conditions of approval are recommended:

None
