INTRODUCTION	
<p>Staff and Agencies act as advisory bodies to the Committee of Adjustment. The comments contained in this report are presented as recommendations to the Committee.</p> <p>Section 45(1) of the Planning Act sets the criteria for authorizing minor variances to the City of Vaughan’s Zoning By-law. Accordingly, review of the application may consider the following:</p> <p>That the general intent and purpose of the by-law will be maintained. That the general intent and purpose of the official plan will be maintained. That the requested variance(s) is/are acceptable for the appropriate development of the subject lands. That the requested variance(s) is/are minor in nature.</p> <p>Public written and oral submissions relating to this application are taken into consideration by the Committee of Adjustment as part of its deliberations and final decision on this matter.</p>	

COMMITTEE OF ADJUSTMENT COMMENTS		
Date Public Notice Mailed:	July 14, 2022	
Date Applicant Confirmed Posting of Sign:	July 13, 2022	
Applicant Justification for Variances: *As provided by Applicant in Application Form	My client’s (homeowner) garage extends out back beyond the rear line of the habitable portion of their house, the swimming pool, placed where it is, technically does not exist in the “rear yard”. The “rear yard” would technically begin at the extreme rear line of that portion of the garage. Please note that this lot is a pie shape lot. I would like to request relief from these zoning by-laws, as I don’t feel that this situation truly contravenes the spirit or intended application of them, as you will see from the attached grading plan.	
Adjournment Requests (from staff): *Adjournment requests provided to applicant prior to issuance of public notice	None	
Was a Zoning Review Waiver (ZRW) Form submitted by Applicant:  *ZRW Form may be used by applicant in instances where a revised submission is made, and zoning staff do not have an opportunity to review and confirm variances prior to the issuance of public notice.  *A revised submission may be required to address staff / agency comments received as part of the application review process.  *Where a zoning review has not been completed on a revised submission, an opportunity is provided to the applicant to adjourn the proposal prior to the issuance of public notice.		No
Adjournment Fees: In accordance with Procedural By-law 069-2019, an Adjournment Fee is applicable to reschedule an application after the issuance of public notice where a request for adjournment has been provided to the applicant prior to the issuance of public notice.  An Adjournment Fee can only be waived in instances where adjournment of an application is requested by the Committee or staff after the issuance of public notice.

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application, as required by Ontario Regulation 200/96, the following conditions have been recommended:

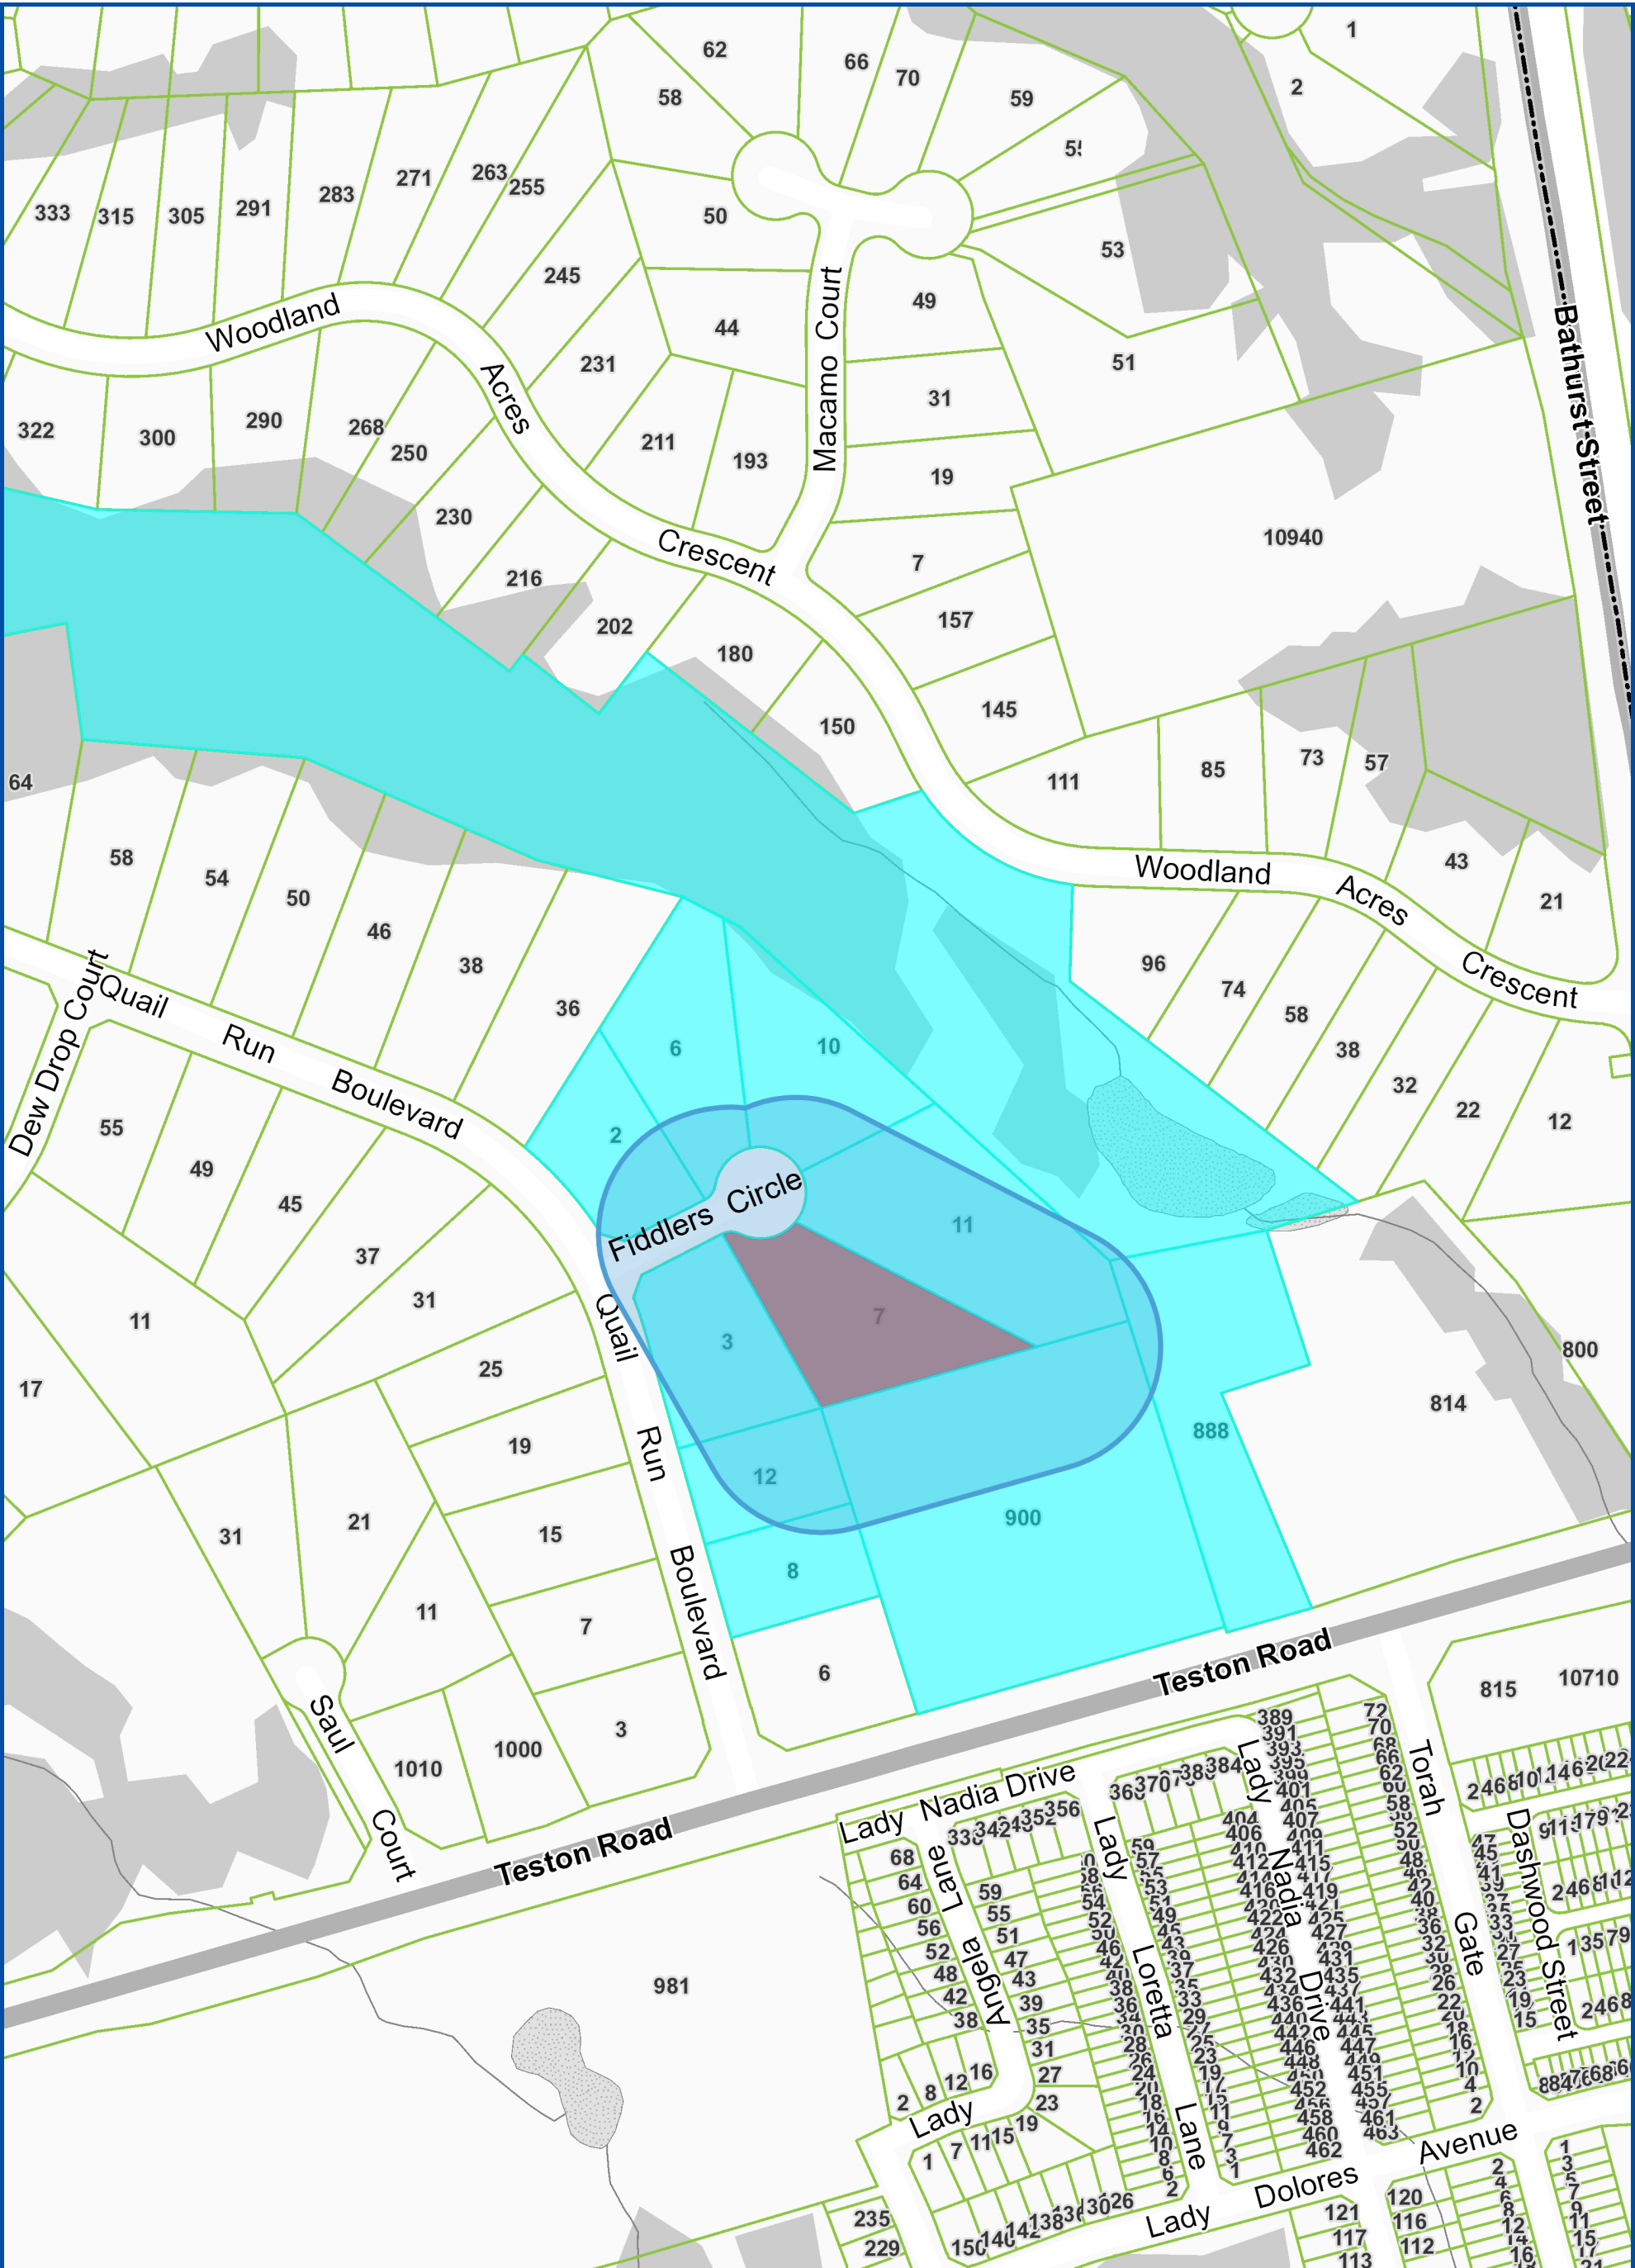

SUMMARY OF RECOMMENDED CONDITIONS OF APPROVAL		
All conditions of approval, unless otherwise stated, are considered to be incorporated into the approval “if required”. If a condition is no longer required after an approval is final and binding, the condition may be waived by the respective department or agency requesting conditional approval. A condition cannot be waived without written consent from the respective department or agency.		
#	DEPARTMENT / AGENCY	CONDITION(S) DESCRIPTION
	None	

IMPORTANT INFORMATION – PLEASE READ
<b>CONDITIONS:</b> It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency ( <b>see condition chart above for contact</b> ). This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

IMPORTANT INFORMATION – PLEASE READ	
<p><b>APPROVALS:</b> Making any changes to your proposal after a decision has been made may impact the validity of the Committee’s decision.</p> <p>An approval obtained from the Committee of Adjustment, where applicable, is tied to the building envelope shown on the plans and drawings submitted with the application and subject to the variance approval.</p> <p>A building envelope is defined by the setbacks of the buildings and/or structures shown on the plans and drawings submitted with the application, as required by Ontario Regulation 200/96. Future development outside of an approved building envelope, where a minor variance was obtained, must comply with the provisions of the City’s Zoning By-law.</p> <p>Elevation drawings are provided to reflect the style of roof (i.e. flat, mansard, gable etc.) to which a building height variance has been applied. Where a height variance is approved, building height is applied to the style of roof (as defined in the City’s Zoning By-law) shown on the elevation plans submitted with the application.</p> <p>Architectural design features that are not regulated by the City’s Zoning By-law are not to be considered part of an approval unless specified in the Committee’s decision.</p>	
<p><b>DEVELOPMENT CHARGES:</b> That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.</p> <p>That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.</p> <p>That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment</p> <p>That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.</p>	
<p><b>NOTICE OF DECISION:</b> If you wish to be notified of the decision in respect to this application or a related Ontario Land Tribunal (OLT) hearing you must complete a Request for Decision form and submit to the Secretary Treasurer (ask staff for details). In the absence of a written request to be notified of the Committee’s decision you will <b>not</b> receive notice.</p>

## COMMENTS:

- ☐ We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- ☒ We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- ☐ We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.

**Official Plan:**

City of Vaughan Official Plan 2010 ('VOP 2010'): "Oak Ridges Moraine Countryside" by Schedule 4 – Oak Ridges Moraine Conservation Plan & Greenbelt Plan Areas and "Countryside" by Schedule 13 – Land Use.

**Comments:**

The Owner is requesting permission to construct a pool with the above-noted variance.

The Development Planning Department does not have any concerns with the above-noted variances as the subject property is pie-shaped, and the pool is to be located behind the habitable space of the house, tucked behind the garage and is within what effectively functions as part of the rear yard. The proposed pool also complies with all rear yard and side yard setback requirements.

An Arborist Report prepared by Thomas Watson Consulting Arborist Inc., dated June 23, 2022, was submitted in support of the application. The Urban Design Division has reviewed the submitted report and concurs with the recommendations.

The Cultural Heritage Division advises that the subject property lies in an area identified as being of some archaeological potential. As such, it offers the following advisory comments:

1. Should archaeological resources be found on the property during construction activities, all work must cease, and both the Ontario Ministry of Heritage, Sport, Tourism and Culture Industries and the City of Vaughan's Development Planning Department, Urban Design and Cultural Heritage Department shall be notified immediately.
2. In the event that human remains are encountered during construction activities, the proponent must immediately cease all construction activities. The proponent shall contact the York Regional Police Department, the Regional Coroner and the Registrar of the Cemeteries Regulation Unit of the Ministry of Consumer and Business Services.
3. In the event of a future development application that involves further soil disturbance an archaeological assessment by a professional licensed archaeologist may be required and conditions of approval may apply.

Accordingly, the Development Planning Department can support the requested variances and is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-laws, and is desirable for the appropriate development of the land.

**Recommendation:**

The Development Planning Department recommends approval of the application.

**Conditions of Approval:**

If the Committee finds merit in the application, the following conditions of approval are recommended:
