Hello,

I received the notice of hearing.

I am not able to attend however I have one comment.

I've had experiences in other commercial condominium settings where a Place of Worship resulted in a huge strain on the parking on site. I have a similar concern here unless services are restricted to weekends. The parking at 7611 Pine Valley is somewhat tight already on weekdays, adding a place of worship will draw in a lot of people for services.

Thanks,

Anthony Falcone
