Dear City of Vaughan,

We are Minh Cong Tran and Kieu Oanh Dinh at
[REDACTED] Silver Sterling Crescent
Woodbridge, ON, [REDACTED]

We are writing this letter to oppose the Official Plan Amendment File OP.21.019 and Zoning By-law Amendment File Z.21.040 (G. Group Major Mackenzie Inc.) The reasons why we disagree with this project build at the northwest corner of Major Mackenzie Drive and Weston Road is because it will create a lot of traffics and adding large amounts of density in the area. Towers will look over people backyards. Schools can't support the growing population. Traffics already as bad during rush hour in our area traveling neither East or West of Major Mackenzie and we just can't imagine what will be like if these towers are adding on. These buildings will definitely effecting the existing residents and the Cortellucci Vaughan Hospital in the area!

Please write us back if you have any questions.

Best Regards,

Minh and Kieu
