Subject: [External] re: OPPOSE - Official Plan Amendment File OP.21.019

Good afternoon,

I'm in receipt of the Applicant's proposal for the new development at 3812 Major Mackenzie Drive.

I oppose the proposal and do not wish to see high rise condominiums or developments near or around my place of residence as I made a conscientious decision to reside in a neighborhood with a 360 view of flat terrain (with the exception of metropolitan areas in the distant horizon). I ask that the city protect our interests and natural landscape.

Thank you,
Khadija Fadhlaoui
