Hi Christina,

Thank you for your email. I completely agree with your comments. This dense development is not sustainable in this community! I will NOT be supporting this application in this current form. I will forward your concerns to our City planners for their review and consideration.

Sincerely,

Rosanna

**Subject:** [External] Proposed Development 3812 Major Mackenzie Drive

To whom this may concern,

I am writing to you regarding the proposed development at 3812 Major Mackenzie Dr. I am concerned about the traffic congestion and safety on the side streets and school zones if 3000 residential units are built. As it stands, it is extremely difficult to travel eastbound on Major Mackenzie and currently affects my commute to and from work.

I am also concerned about the thousands of new residents using the side streets to avoid main roads, which would create an unsafe environment for my 1 year old daughter and 4 year old son. Also creating an unsafe area surrounding the 2 elementary schools in our community.

I wanted to express my concerns regarding this development. Please consider this email. Please consider the community and the children.

Thank you for your time,

Christina
