Zoning By-Law Amendment File Z.21.040

Good afternoon,

I am writing to express my strong objection to the subject application at 3812 Major Mackenzie.

The proposal demonstrates an overwhelming disregard for compatibility with the existing community and does not adhere to the many policies that exist to protect established residential neighborhoods, encourage responsible growth and respect the natural environment. Considering the glaring divergence from the existing policies and the lack of care shown to the existing community, I trust this will strongly contribute to the refusal of this application and encourage a more thoughtful and well aligned proposal that includes respectful compatibility with the existing community.

Existing Official Plan allowances more than adequately provide for ample residential growth. The requested amendments are unreasonable and should be swiftly declined.

Thank you for your consideration in this matter.

Tiana Kauder
