RE:

G Group Major Mackenzie Inc.

Application 19T-14V001, Official Plan Amendment File OP.21.019, Zoning By-law Amendment File Z.21.040

Dear Office of the City Clerk,

This email response is to confirm my strong objection to the subject application at 3812 Major Mackenzie. This proposal demonstrates an overwhelming disregard for compatibility with the existing community and does not adhere to the many policies that exist to protect established residential neighbourhoods, encourage responsible growth and respect for the natural environment which do not align to City of Vaughan's strategic priorities.

This application is a glaring divergence from the existing policies and lack of consideration shown to the existing community. Existing official plan already allows for ample residential growth and this requested amendment should be declined.

As a citizen for over 20 years, I'm fully vested in this community and wish to see it grow in a respectful and fair manner.

Thank you,

Jennifer Baun
